FINAL INSPECTION REPORT
Under the *Retirement Homes Act, 2010*

Inspection Information	
Date of Inspection: November 2, 2015	**Name of Inspector:** Michael Hickey
Inspection Type: Compliance Inspection	
Licensee: 1499413 Ontario Inc. / 99 Walford Road, Sudbury, ON P3E 6K3 (the "Licensee")	
Retirement Home: The Walford Thunder Bay / 20 Pine Street, Thunder Bay, ON P7A 5X1 (the "home")	
Licence Number: N0171	

Purpose of Inspection
The RHRA conducts compliance inspections as set out in section 77(1) of the *Retirement Homes Act, 2010* (the "RHA").

NON-COMPLIANCE

1. The Licensee failed to comply with O. Reg. 166/11, s. 24; Emergency plan, general.
The Licensee failed to comply with O. Reg. 166/11, s. 25; Emergency plan, retirement home with more than 10 residents.

Specifically, the Licensee failed to comply with the following subsection(s):

24. (4) The licensee shall keep current all arrangements with community agencies, partner facilities and resources that will be involved in responding to an emergency.

24. (5) The licensee shall,

(a) on an annual basis at least, test the emergency plan, including arrangements with community agencies, partner facilities and resources that will be involved in responding to an emergency, related to,

(i) the loss of essential services,

(ii) situations involving a missing resident,

(iii) medical emergencies,

(iv) violent outbursts;

(c) keep a written record of the testing of the emergency plan and planned evacuations and of any changes made to improve the emergency plan.

25. (2) The licensee shall ensure that the development of the emergency plan includes,

(a) consultation with the relevant community agencies, partner facilities and resources that will be involved in responding to an emergency;

(b) identification of hazards and risks that may give rise to an emergency affecting the home, whether the hazards and risks arise within the home or in the surrounding vicinity or community, and strategies to address those hazards and risks.

Inspection Finding

The Licensee failed to demonstrate, and keep records associated with the prescribed emergency plan, that current arrangements with community agencies and partner facilities that would be involved in responding to an emergency were in place as prescribed. The Licensee failed to complete the prescribed annual tests of the emergency plan and keep records demonstrating the prescribed testing. The Licensee failed to demonstrate that consultation had been completed with relevant community agencies, partner facilities, and resources that would be involved in responding to an emergency. The Licensee failed to complete an identification of hazards and risks that may give rise to an emergency affecting the home from hazards and risks within the home or from the surrounding vicinity or community, and failed to ensure the prescribed emergency plan included strategies to address those hazards or risks.

Outcome

Corrective action scheduled to be taken by the Licensee by March 15, 2016.

2. The Licensee failed to comply with the RHA, S.O. 2010, c. 11, s. 65; Training.
The Licensee failed to comply with the RHA, S.O. 2010, c. 11, s. 65; On-going training.
The Licensee failed to comply with the RHA, S.O. 2010, c. 11, s. 65; Additional training for direct care staff.
The Licensee failed to comply with O. Reg. 166/11, s. 14; Staff training.
The Licensee failed to comply with O. Reg. 166/11, s. 27; Infection prevention and control program.
The Licensee failed to comply with O. Reg. 166/11, s. 55; Contents of records.

Specifically, the Licensee failed to comply with the following subsection(s):

65. (2) Every licensee of a retirement home shall ensure that no staff work in the home unless they have received training in,

(a) the Residents' Bill of Rights;

(b) the licensee's policy mentioned in subsection 67 (4) to promote zero tolerance of abuse and neglect of residents;

(c) the protection afforded for whistle-blowing described in section 115;

(d) the licensee's policy mentioned in subsection 68 (3) regarding the use of personal assistance services devices for residents;

(e) injury prevention;

(f) fire prevention and safety;

(g) the licensee's emergency evacuation plan for the home mentioned in subsection 60 (3);

(h) the emergency plan and the infection prevention and control program of the licensee for the home mentioned in subsection 60 (4);

(i) all Acts, regulations, policies of the Authority and similar documents, including policies of the licensee, that are relevant to the person's duties;

(j) all other prescribed matters.

65. (4) The licensee shall ensure that the persons who are required to receive the training described in subsection (2) receive on-going training as described in that subsection at the times required by the regulations.

65. (5) The licensee shall ensure that all staff who provide care services to residents receive training in the following matters and at the times required by the regulations, as a condition of continuing to have contact with residents, in addition to the other training that they are required to receive under this section:

1. Abuse recognition and prevention.
2. Mental health issues, including caring for persons with dementia.
3. Behaviour management.
4. Ways to minimize the need of residents for personal assistance services devices and if a resident needs such a device, the ways of using it in accordance with its manufacturer's operating instructions, this Act and the regulations.
5. All other prescribed matters.

14. (1) For the purposes of clause 65 (2) (j) of the Act, every licensee of a retirement home shall ensure that all staff who work in the home receive training in the procedure described in subsection 73 (1) of the Act for a person to complain to the licensee.

14. (2) For the purposes of subsection 65 (4) of the Act, the licensee shall ensure that the persons who are required to receive training under subsection 65 (2) of the Act receive the training at least annually.

27. (9) The licensee shall ensure that each staff member who works in the retirement home receives training on how to reduce the incidence of infectious disease transmission, including,

(a) the need for and method of maintaining proper hand hygiene and method of preventing cross contamination, including proper handling of soiled linens, the protection of uniforms, and the separation of clean and dirty items;

(b) the need for and process of reporting, providing surveillance of and documenting incidents of infectious illness.

55. (5) A licensee of a retirement home shall keep records proving compliance with the Act and this Regulation in relation to,

(c) the skills, qualifications and training of the staff who work in the home;

Inspection Finding

The Licensee failed to demonstrate and keep prescribed staff training records that all staff who work in the home had been trained as prescribed by the Retirement Homes Act, 2010 and Ontario Regulation 166/11.

Outcome

Corrective action taken by the Licensee.

3. The Licensee failed to comply with O. Reg. 166/11, s. 29; Administration of drugs or other substances.

Specifically, the Licensee failed to comply with the following subsection(s):

29. If one of the care services that the licensee or the staff of a retirement home provide to a resident of the home is the administration of a drug or other substance, the licensee shall ensure that,

(c) neither the licensee nor a staff member administers a drug to a resident in the home unless the licensee or the staff member has received training in the procedures applicable to the administration of the drug;

(e) if the licensee or a staff member is involved in the administration of the drug or other substance at the home, that the licensee or staff member is trained in,

(i) ways of reducing the incidence of infectious disease, including maintaining proper hand hygiene,

(ii) the safe disposal of syringes and other sharps,

(iii) recognizing an adverse drug reaction and taking appropriate action;

Inspection Finding

The Licensee failed to demonstrate and keep records as prescribed, that all staff members of the home who administer drugs to residents of the home had received training as prescribed.

Outcome

Corrective action taken by the Licensee.

4. The Licensee failed to comply with O. Reg. 166/11, s. 29; Administration of drugs or other substances.

Specifically, the Licensee failed to comply with the following subsection(s):

29. If one of the care services that the licensee or the staff of a retirement home provide to a resident of the home is the administration of a drug or other substance, the licensee shall ensure that,

(d) a member of a College, as defined in the Regulated Health Professions Act, 1991, supervises the administration of the drug or other substance to the resident in the home;

Inspection Finding

Inspection revealed that the Licensee hired a Member of a College as defined in the Regulated Health Professions Act, 1991, with a Temporary Classification to supervise the administration of drugs and other substances to the residents of the home. According to the terms of the College of Nurses of Ontario Temporary Classification, the health professional was not allowed to supervise the administration of drugs or other substances to the residents of the home.

Outcome

Corrective action taken by the Licensee.

NOTICE

The Final Inspection Report is being provided to the Licensee, the Registrar of the Retirement Homes Regulatory Authority (the "RHRA") and the home's Residents' Council, if any.

Section 55 of the RHA requires that the Final Inspection Report be posted in the home in a conspicuous and easily accessible location. In addition, the Licensee must ensure that copies of every Final Inspection Report from the previous two (2) years are made available in the Home, in an easily accessible location.

The Registrar's copy of the Final Inspection Report, as it appears here, will be included on the RHRA Public Register, available online at http://rhra.ca/en/register/
