1. Plan activation.
2. Lines of authority.
3. Communications plan.
4. Specific staff roles and responsibilities.

25. (5) The licensee shall ensure that the emergency plan for the retirement home is evaluated and updated at least annually and that the updating includes contact information for the relevant community agencies, partner facilities and resources that will be involved in responding to an emergency.

Inspection Finding

The home does not have a written emergency plan in place as is required by the legislation.

Outcome

Corrective action scheduled to be completed by the Licensee by November 12, 2014.

**2. The Licensee failed to comply with the RHA, S.O. 2010, c. 11, s. 65; Training.
The Licensee failed to comply with O. Reg. 166/11, s. 14; Staff training.**

Specifically, the Licensee failed to comply with the following subsection(s):

65. (2) Every licensee of a retirement home shall ensure that no staff work in the home unless they have received training in,

- (a) the Residents’ Bill of Rights;
- (b) the licensee’s policy mentioned in subsection 67 (4) to promote zero tolerance of abuse and neglect of residents;
- (c) the protection afforded for whistle-blowing described in section 115;
- (d) the licensee’s policy mentioned in subsection 68 (3) regarding the use of personal assistance services devices for residents;
- (e) injury prevention;
- (f) fire prevention and safety;
- (g) the licensee’s emergency evacuation plan for the home mentioned in subsection 60 (3);
- (h) the emergency plan and the infection prevention and control program of the licensee for the home mentioned in subsection 60 (4);

14. (1) For the purposes of clause 65 (2) (j) of the Act, every licensee of a retirement home shall ensure that all staff who work in the home receive training in the procedure described in subsection 73 (1) of the Act for a person to complain to the licensee.

Inspection Finding

There was no documented evidence provided to support that employee's receive the required training prior to working in the home. Mr. Erskine confirmed that the required training is not provided to staff until after they have been working in the home for a few months.

Outcome

Corrective action taken by the Licensee.

3. The Licensee failed to comply with O. Reg. 166/11, s. 22; Risk of falls.

Specifically, the Licensee failed to comply with the following subsection(s):

22. (1) Every licensee of a retirement home shall develop, document and implement strategies to reduce or mitigate the risk of falls in common areas of the home.

Inspection Finding

The home does not have a documented falls strategy in place as is required by the legislation to reduce or mitigate the risk of falls in common areas of the home.

Outcome

Corrective action scheduled to be completed by the Licensee by November 7, 2014.

4. The Licensee failed to comply with O. Reg. 166/11, s. 23; Behaviour management.

Specifically, the Licensee failed to comply with the following subsection(s):

23. (1) Every licensee of a retirement home shall develop and implement a written behaviour management strategy that includes,

- (a) techniques to prevent and address resident behaviours that pose a risk to the resident or others in the home;
- (b) strategies for interventions to prevent and address resident behaviours that pose a risk to the resident or others in the home;
- (c) strategies for monitoring residents that have demonstrated behaviours that pose a risk to the resident or others in the home;
- (d) protocols for how staff and volunteers shall report and be informed of resident behaviours that pose a risk to the resident or others in the home.

Inspection Finding

The home does not have a written behaviour management strategy in place as is required by the legislation.

Outcome

Corrective action scheduled to be completed by the Licensee by November 14, 2014.

**5. The Licensee failed to comply with O. Reg. 166/11, s. 29; Administration of drugs or other substances.
The Licensee failed to comply with O. Reg. 166/11, s. 31; Medication management system.
The Licensee failed to comply with O. Reg. 166/11, s. 32; Records.**

Specifically, the Licensee failed to comply with the following subsection(s):

29. If one of the care services that the licensee or the staff of a retirement home provide to a resident of the home is the administration of a drug or other substance, the licensee shall ensure that,

(c) neither the licensee nor a staff member administers a drug to a resident in the home unless the licensee or the staff member has received training in the procedures applicable to the administration of the drug;

(e) if the licensee or a staff member is involved in the administration of the drug or other substance at the home, that the licensee or staff member is trained in,

- (i) ways of reducing the incidence of infectious disease, including maintaining proper hand hygiene,
- (ii) the safe disposal of syringes and other sharps,
- (iii) recognizing an adverse drug reaction and taking appropriate action;

31. (1) If one of the care services that the licensee or the staff of a retirement home provide to a resident of the home is the administration of a drug or other substance, the licensee shall establish a medication management system, which includes written policies and procedures, to ensure that all drugs and other substances to be administered to residents of the home are acquired, received in the home, stored, dispensed, administered, destroyed and disposed of correctly as required by law and in accordance with prevailing practices.

32. If the licensee or a member of the staff of a retirement home administers a drug or other substance to a resident, the licensee shall ensure that,

- (b) if a drug is administered, there is written evidence that the drug was prescribed for the resident by a person who is authorized to prescribe a drug under section 27 of the Regulated Health Professions Act, 1991;

Inspection Finding

There was no documented proof provided to support that the staff administering the medications in the home have received the required training prior to administering medications. The home has been developing a medication management policies and procedures manual; however the policies and procedures are not specific to the home's actual practices relating to medication administration and the policy manual is not aligned with the legislative requirements. A written record of all prescriptions are not currently kept on file in the home.

Outcome

Corrective action scheduled to be completed by the Licensee by October 24, 2014.

NOTICE

The Final Inspection Report is being provided to the Licensee, the Registrar of the Retirement Homes Regulatory Authority (the "RHRA") and the home's Residents' Council, if any.

Section 55 of the RHA requires that the Final Inspection Report be posted in the home in a conspicuous and easily accessible location. In addition, the Licensee must ensure that copies of every Final Inspection Report from the previous two (2) years are made available in the Home, in an easily accessible location.

The Registrar's copy of the Final Inspection Report, as it appears here, will be included on the RHRA Public Register, available online at <http://rhra.ca/en/register/>
