(2)</u> The licensee shall ensure that the development of the emergency plan includes,</p> <ul style="list-style-type: none"> (a) consultation with the relevant community agencies, partner facilities and resources that will be involved in responding to an emergency;

(b) identification of hazards and risks that may give rise to an emergency affecting the home, whether the hazards and risks arise within the home or in the surrounding vicinity or community, and strategies to address those hazards and risks.

25. (3) The licensee shall ensure that the emergency plan provides for the following:

2. Evacuation of the retirement home, including a system in the home to account for the whereabouts of all residents in the event that it is necessary to evacuate and relocate residents and evacuate staff and others in case of an emergency.
3. Resources, supplies and equipment vital for the emergency response being set aside and readily available at the retirement home and regular testing of all such resources, supplies and equipment to ensure that they are in working order.

Inspection Finding

The home's emergency plan did not meet the requirements.

Outcome

Corrective action scheduled to be taken by the Licensee by January 31, 2015.

2. The Licensee failed to comply with the RHA, S.O. 2010, c. 11, s. 60; Safety plans.

Specifically, the Licensee failed to comply with the following subsection(s):

60. (4) Every licensee of a retirement home shall ensure that the following are in place for the home:

2. An infection prevention and control program that meets the prescribed requirements.

Inspection Finding

The home's infection control plan did not meet the requirements.

Outcome

Corrective action taken by the Licensee.

3. The Licensee failed to comply with the RHA, S.O. 2010, c. 11, s. 65; Training.

The Licensee failed to comply with O. Reg. 166/11, s. 14; Staff training.

The Licensee failed to comply with O. Reg. 166/11, s. 20; Food preparation.

The Licensee failed to comply with O. Reg. 166/11, s. 27; Infection prevention and control program.

Specifically, the Licensee failed to comply with the following subsection(s):

65. (2) Every licensee of a retirement home shall ensure that no staff work in the home unless they have received training in,

- (a) the Residents' Bill of Rights;
- (b) the licensee's policy mentioned in subsection 67 (4) to promote zero tolerance of abuse and neglect of residents;

- (c) the protection afforded for whistle-blowing described in section 115;
- (d) the licensee’s policy mentioned in subsection 68 (3) regarding the use of personal assistance services devices for residents;

14. (1) For the purposes of clause 65 (2) (j) of the Act, every licensee of a retirement home shall ensure that all staff who work in the home receive training in the procedure described in subsection 73 (1) of the Act for a person to complain to the licensee.

20. (4) The licensee shall ensure that whenever food is prepared in the retirement home, at least one person involved in preparing the food holds a current certificate in food handling from the local public health unit or has recently successfully completed a food handling training program equivalent to that offered by public health units.

27. (9) The licensee shall ensure that each staff member who works in the retirement home receives training on how to reduce the incidence of infectious disease transmission, including,

- (a) the need for and method of maintaining proper hand hygiene and method of preventing cross contamination, including proper handling of soiled linens, the protection of uniforms, and the separation of clean and dirty items;
- (b) the need for and process of reporting, providing surveillance of and documenting incidents of infectious illness.

Inspection Finding

Four out of the five staff records reviewed showed that staff was not trained in the applicable infection control topics. None of the staff records reviewed demonstrated that staff had been trained in the home’s complaints procedure, the Residents’ Bill of Rights, whistle-blowing or PASDs and only one of the staff was trained in the home’s abuse policy. Only one of the five staff who required food handling training had a current food handling certificate. Training records require signature and date to show evidence that training was completed.

Outcome

Corrective action scheduled to be taken by the Licensee by January 31, 2015.

4. The Licensee failed to comply with O. Reg. 166/11, s. 29; Administration of drugs or other substances.

Specifically, the Licensee failed to comply with the following subsection(s):

29. If one of the care services that the licensee or the staff of a retirement home provide to a resident of the home is the administration of a drug or other substance, the licensee shall ensure that,

- (e) if the licensee or a staff member is involved in the administration of the drug or other substance at the home, that the licensee or staff member is trained in,
 - (i) ways of reducing the incidence of infectious disease, including maintaining proper hand hygiene,
 - (ii) the safe disposal of syringes and other sharps,
 - (iii) recognizing an adverse drug reaction and taking appropriate action;

(c) neither the licensee nor a staff member administers a drug to a resident in the home unless the licensee or the staff member has received training in the procedures applicable to the administration of the drug;

Inspection Finding

There was no evidence that a staff member was trained in the administration of a drug. None of the three staff records reviewed demonstrated that staff was trained in the remaining required topics.

Outcome

Corrective action scheduled to be taken by the Licensee by December 23, 2014.

5. The Licensee failed to comply with O. Reg. 166/11, s. 55; Contents of records.

Specifically, the Licensee failed to comply with the following subsection(s):

55. (5) A licensee of a retirement home shall keep records proving compliance with the Act and this Regulation in relation to,

(c) the skills, qualifications and training of the staff who work in the home;

Inspection Finding

The home did not maintain adequate records of staff training.

Outcome

Corrective action scheduled to be taken by the Licensee by January 31, 2015.

NOTICE

The Final Inspection Report is being provided to the Licensee, the Registrar of the Retirement Homes Regulatory Authority (the "RHRA") and the home's Residents' Council, if any.

Section 55 of the RHA requires that the Final Inspection Report be posted in the home in a conspicuous and easily accessible location. In addition, the Licensee must ensure that copies of every Final Inspection Report from the previous two (2) years are made available in the Home, in an easily accessible location.

The Registrar's copy of the Final Inspection Report, as it appears here, will be included on the RHRA Public Register, available online at <http://rhra.ca/en/register/>
