Inspection Finding

The full assessment did not consider the risk of harm to self or others, and the risk of wandering. Further, there was no evidence to show that a full assessment of a resident's care needs and preferences was conducted within 14 days after commencing residency in the home. Furthermore, there was no evidence to show that a care plan was developed within 21 days of a resident commencing residency in the home. In addition, there was no evidence to show that the Licensee ensured that a resident was reassessed and the plan of care reviewed and revised at least every six months or at any other time set out by the listed section.

Outcome

Corrective action scheduled to be taken by the Licensee by May 31, 2015.

NOTICE
