(4)** The licensee shall keep current all arrangements with community agencies, partner facilities and resources that will be involved in responding to an emergency. **24. (5)** The licensee shall,

(a) on an annual basis at least, test the emergency plan, including arrangements with community agencies, partner facilities and resources that will be involved in responding to an emergency, related to,

(i) the loss of essential services,

(ii) situations involving a missing resident,

(iii) medical emergencies,

(iv) violent outbursts;

(c) keep a written record of the testing of the emergency plan and planned evacuations and of any changes made to improve the emergency plan.

25. (2) The licensee shall ensure that the development of the emergency plan includes,

(a) consultation with the relevant community agencies, partner facilities and resources that will be involved in responding to an emergency;

(b) identification of hazards and risks that may give rise to an emergency affecting the home, whether the hazards and risks arise within the home or in the surrounding vicinity or community, and strategies to address those hazards and risks.

25. (3) The licensee shall ensure that the emergency plan provides for the following:

2. Evacuation of the retirement home, including a system in the home to account for the whereabouts of all residents in the event that it is necessary to evacuate and relocate residents and evacuate staff and others in case of an emergency.

3. Resources, supplies and equipment vital for the emergency response being set aside and readily available at the retirement home and regular testing of all such resources, supplies and equipment to ensure that they are in working order.

4. Identification of the community agencies, partner facilities and resources that will be involved in responding to an emergency.

25. (5) The licensee shall ensure that the emergency plan for the retirement home is evaluated and updated at least annually and that the updating includes contact information for the relevant community agencies, partner facilities and resources that will be involved in responding to an emergency.

Inspection Finding

There is no evidence of arrangements with community partners or consultation with community agencies. An identification of hazards and risks has not been conducted. There has been no testing of the home's emergency plan with respect to loss of essential services, missing resident, medical emergencies or violent outbursts. The plan does not provide for a system to account for residents in the event of an evacuation of the home. There are no resources, supplies and equipment vital for emergency response set aside and readily available and regularly tested. There has been no identification of community agencies involved in emergency response. The plan must be evaluated and updated at least annually.

Outcome

Corrective action scheduled to be completed by the Licensee by October 3, 2015.

3. The Licensee failed to comply with O. Reg. 166/11, s. 43; Initial assessment of care needs.

Specifically, the Licensee failed to comply with the following subsection(s):

43. (2) The initial assessment mentioned in subsection (1) shall consider the following matters with respect to the resident:

2. Presence of infectious diseases.

Inspection Finding

Initial and full assessments of residents are conducted together. The assessment does not provide for information with respect to infectious diseases other than tuberculosis.

Outcome

Corrective action taken by the Licensee.

NOTICE

The Final Inspection Report is being provided to the Licensee, the Registrar of the Retirement Homes Regulatory Authority (the "RHRA") and the home's Residents' Council, if any.

Section 55 of the RHA requires that the Final Inspection Report be posted in the home in a conspicuous and easily accessible location. In addition, the Licensee must ensure that copies of every Final Inspection Report from the previous two (2) years are made available in the Home, in an easily accessible location.

The Registrar's copy of the Final Inspection Report, as it appears here, will be included on the RHRA Public Register, available online at http://rhra.ca/en/register/
