NON-COMPLIANCE
1. The Licensee failed to comply with the RHA, S.O. 2010, c. 11, s. 54; Contents. Specifically, the Licensee failed to comply with the following subsection(s): **54. (2)** The package of information shall include, at a minimum, (c) the licensee's policy mentioned in subsection 67 (4) to promote zero tolerance of abuse and neglect of residents; (d) the licensee's procedure for complaints mentioned in subsection 73 (1); (k) an itemized list of the different types of accommodation and care services provided in the retirement home and their prices; (s) information as to whether the retirement home has automatic sprinklers in each resident's room;
Inspection Finding The home's information package did not include the home's abuse policy or complaints procedure. The package did not include information about sprinklers or all the care services the home offers.
Outcome Corrective action required by the Licensee.
2. The Licensee failed to comply with the RHA, S.O. 2010, c. 11, s. 53; Agreement required. Specifically, the Licensee failed to comply with the following subsection(s):

53. (1) The licensee of a retirement home shall enter into a written agreement with every resident of the home before the resident commences residency in the home.

Inspection Finding

A resident's agreement was signed after the resident moved into the home. There was no evidence that another resident had a written residency agreement with the home.

Outcome

Corrective action required by the Licensee.

3. The Licensee failed to comply with O. Reg. 166/11, s. 24; Emergency plan, general.
The Licensee failed to comply with O. Reg. 166/11, s. 25; Emergency plan, retirement home with more than 10 residents.

Specifically, the Licensee failed to comply with the following subsection(s):

24. (4) The licensee shall keep current all arrangements with community agencies, partner facilities and resources that will be involved in responding to an emergency.

24. (5) The licensee shall,

(a) on an annual basis at least, test the emergency plan, including arrangements with community agencies, partner facilities and resources that will be involved in responding to an emergency, related to,

(i) the loss of essential services,

(ii) situations involving a missing resident,

(iii) medical emergencies,

(iv) violent outbursts;

25. (2) The licensee shall ensure that the development of the emergency plan includes,

(a) consultation with the relevant community agencies, partner facilities and resources that will be involved in responding to an emergency;

(b) identification of hazards and risks that may give rise to an emergency affecting the home, whether the hazards and risks arise within the home or in the surrounding vicinity or community, and strategies to address those hazards and risks.

25. (3) The licensee shall ensure that the emergency plan provides for the following:

1. Dealing with,

ii. community disasters,

iii. violent outbursts,

iv. bomb threats,

v. medical emergencies,

vi. chemical spills,

viii. loss of one or more essential services.

2. Evacuation of the retirement home, including a system in the home to account for the whereabouts of all residents in the event that it is necessary to evacuate and relocate residents and evacuate staff and others in case of an emergency.

3. Resources, supplies and equipment vital for the emergency response being set aside and readily available at the retirement home and regular testing of all such resources, supplies and equipment to ensure that they are in working order.

4. Identification of the community agencies, partner facilities and resources that will be involved in responding to an emergency.

25. (4) The licensee shall ensure that the emergency plan addresses the following components:

1. Plan activation.
3. Communications plan.
4. Specific staff roles and responsibilities.

25. (5) The licensee shall ensure that the emergency plan for the retirement home is evaluated and updated at least annually and that the updating includes contact information for the relevant community agencies, partner facilities and resources that will be involved in responding to an emergency.

Inspection Finding

The home's emergency plan did not meet the requirements.

Outcome

Corrective action required by the Licensee.

4. The Licensee failed to comply with O. Reg. 166/11, s. 43; Initial assessment of care needs.
The Licensee failed to comply with O. Reg. 166/11, s. 44; Full assessment of care needs.

Specifically, the Licensee failed to comply with the following subsection(s):

43. (1) Subject to section 45, no later than two days after a resident commences residency in a retirement home, the licensee of the home shall ensure that an initial assessment of the resident's immediate care needs is conducted.

43. (2) The initial assessment mentioned in subsection (1) shall consider the following matters with respect to the resident:

1. Continence.
2. Presence of infectious diseases.
3. Risk of falling.
4. Known allergies.
5. Dietary needs including known food restrictions.
6. Cognitive ability.
7. Risk of harm to self and to others.
8. Risk of wandering.
9. Needs related to drugs and other substances.

44. (1) Subject to section 46, no later than 14 days after a resident commences residency in a retirement home, the licensee shall ensure that a full assessment of the resident's care needs and preferences is conducted.

44. (2) The full assessment mentioned in subsection (1) shall consider the following matters with respect to the resident:

1. Physical and mental health.
2. Functional capacity.
3. Cognitive ability.
4. Behavioural issues.
5. Need for care services.
6. Need for assistance with the activities of daily living.
7. The matters listed in subsection 43 (2).

Inspection Finding

Three out of the four resident charts reviewed did not provide evidence that initial and full assessments were being completed on all the required topics within the time frame specified.

Outcome

Corrective action required by the Licensee.

5. The Licensee failed to comply with the RHA, S.O. 2010, c. 11, s. 65; Training.
The Licensee failed to comply with the RHA, S.O. 2010, c. 11, s. 65; Additional training for direct care staff.
The Licensee failed to comply with O. Reg. 166/11, s. 14; Staff training.
The Licensee failed to comply with O. Reg. 166/11, s. 27; Infection prevention and control program.

Specifically, the Licensee failed to comply with the following subsection(s):

65. (2) Every licensee of a retirement home shall ensure that no staff work in the home unless they have received training in,

(a) the Residents' Bill of Rights;

(b) the licensee's policy mentioned in subsection 67 (4) to promote zero tolerance of abuse and neglect of residents;

(c) the protection afforded for whistle-blowing described in section 115;

(d) the licensee's policy mentioned in subsection 68 (3) regarding the use of personal assistance services devices for residents;

(f) fire prevention and safety;

65. (5) The licensee shall ensure that all staff who provide care services to residents receive training in the following matters and at the times required by the regulations, as a condition of continuing to have contact with residents, in addition to the other training that they are required to receive under this section:

3. Behaviour management.

14. (1) For the purposes of clause 65 (2) (j) of the Act, every licensee of a retirement home shall ensure that all staff who work in the home receive training in the procedure described in subsection 73 (1) of the Act for a person to complain to the licensee.

27. (9) The licensee shall ensure that each staff member who works in the retirement home receives training on how to reduce the incidence of infectious disease transmission, including,

(a) the need for and method of maintaining proper hand hygiene and method of preventing cross contamination, including proper handling of soiled linens, the protection of uniforms, and the separation of clean and dirty items;

(b) the need for and process of reporting, providing surveillance of and documenting incidents of infectious illness.

Inspection Finding

The home's records for four staff showed that none had received training in the home's complaints procedure, abuse policy, PASD policy, behavior management strategy, infection control, whistleblowing or fire prevention and safety. One of the four staff had received training in the Residents' Bill of Rights.

Outcome

Corrective action required by the Licensee.

6. The Licensee failed to comply with O. Reg. 166/11, s. 55; Contents of records.

Specifically, the Licensee failed to comply with the following subsection(s):

55. (1) The licensee of a retirement home shall keep a record for each resident of the home that complies with the requirements of this section.

55. (5) A licensee of a retirement home shall keep records proving compliance with the Act and this Regulation in relation to,

(c) the skills, qualifications and training of the staff who work in the home;

Inspection Finding

The home's records for residents and staff did not meet the requirements.

Outcome

Corrective action required by the Licensee.

7. The Licensee failed to comply with O. Reg. 166/11, s. 15; Policy of zero tolerance of abuse and neglect.

Specifically, the Licensee failed to comply with the following subsection(s):

15. (3) The policy to promote zero tolerance of abuse and neglect of residents described in subsection 67 (4) of the Act shall,

(d) provide that the licensee of the retirement home shall ensure that the resident's substitute decision-makers, if any, and any other person specified by the resident,

(ii) are notified within 12 hours upon the licensee becoming aware of any other alleged, suspected or witnessed incident of abuse or neglect of a resident;

(g) provide that the licensee of the retirement home shall ensure that,

(i) an analysis of every incident of abuse or neglect of a resident at the home is undertaken promptly after the licensee becomes aware of it,

(ii) at least once in every calendar year, an evaluation is made to determine the effectiveness of the policy and what changes and improvements are required to prevent further occurrences of abuse and neglect of residents,

(iii) the results of the analysis undertaken under subclause (i) are considered in the evaluation mentioned in subclause (ii),

(iv) the changes and improvements mentioned in subclause (ii) are promptly implemented,

(v) a written record of everything provided for in subclauses (ii) and (iv) and the date of the evaluation, the names of the persons who participated in the evaluation and the date that the changes and improvements were implemented is promptly prepared.

(f) provide that the licensee of the retirement home shall ensure that the appropriate police force is immediately notified of any alleged, suspected or witnessed incident of abuse or neglect of a resident that the licensee suspects may constitute a criminal offence;

Inspection Finding

The home's abuse policy did not meet the requirements.

Outcome

Corrective action required by the Licensee.

8. The Licensee failed to comply with O. Reg. 166/11, s. 59; Procedure for complaints to licensee.

Specifically, the Licensee failed to comply with the following subsection(s):

59. (1) Every licensee of a retirement home shall ensure that every written or verbal complaint made to the licensee or a staff member concerning the care of a resident or operation of the home is dealt with as follows:

1. The complaint shall be investigated. If the complaint alleges harm or risk of harm to one or more residents, the investigation shall be commenced immediately.

59. (2) The licensee shall ensure that a written record is kept in the retirement home that includes,

(e) every date on which any response was provided to the complainant and a description of the response;

Inspection Finding

The home's complaints procedure did not meet the requirements.

Outcome
Corrective action required by the Licensee.

9. The Licensee failed to comply with O. Reg. 166/11, s. 20; Food preparation.

Specifically, the Licensee failed to comply with the following subsection(s):

20. (4) The licensee shall ensure that whenever food is prepared in the retirement home, at least one person involved in preparing the food holds a current certificate in food handling from the local public health unit or has recently successfully completed a food handling training program equivalent to that offered by public health units.

Inspection Finding
One of the home's cooks did not have a current food handling certificate when she required one.

Outcome
Corrective action required by the Licensee.

10. The Licensee failed to comply with O. Reg. 166/11, s. 23; Behaviour management.

Specifically, the Licensee failed to comply with the following subsection(s):

23. (1) Every licensee of a retirement home shall develop and implement a written behaviour management strategy that includes,

(a) techniques to prevent and address resident behaviours that pose a risk to the resident or others in the home;

(b) strategies for interventions to prevent and address resident behaviours that pose a risk to the resident or others in the home;

(c) strategies for monitoring residents that have demonstrated behaviours that pose a risk to the resident or others in the home;

(d) protocols for how staff and volunteers shall report and be informed of resident behaviours that pose a risk to the resident or others in the home.

Inspection Finding
The home's behaviour management strategy did not meet the requirements.

Outcome
Corrective action required by the Licensee.

11. The Licensee failed to comply with O. Reg. 166/11, s. 29; Administration of drugs or other substances.

Specifically, the Licensee failed to comply with the following subsection(s):

29. If one of the care services that the licensee or the staff of a retirement home provide to a resident of the home is the administration of a drug or other substance, the licensee shall ensure that,

(e) if the licensee or a staff member is involved in the administration of the drug or other substance at the home, that the licensee or staff member is trained in,

(i) ways of reducing the incidence of infectious disease, including maintaining proper hand hygiene,

(ii) the safe disposal of syringes and other sharps,

(iii) recognizing an adverse drug reaction and taking appropriate action;

(c) neither the licensee nor a staff member administers a drug to a resident in the home unless the licensee or the staff member has received training in the procedures applicable to the administration of the drug;

Inspection Finding

There was no evidence that any of the nine unregulated staff had received training in the applicable topics.

Outcome

Corrective action required by the Licensee.

NOTICE

The Final Inspection Report is being provided to the Licensee, the Registrar of the Retirement Homes Regulatory Authority (the "RHRA") and the home's Residents' Council, if any.

Section 55 of the RHA requires that the Final Inspection Report be posted in the home in a conspicuous and easily accessible location. In addition, the Licensee must ensure that copies of every Final Inspection Report from the previous two (2) years are made available in the Home, in an easily accessible location.

The Registrar's copy of the Final Inspection Report, as it appears here, will be included on the RHRA Public Register, available online at http://rhra.ca/en/register/
