- 3. The Licensee failed to comply with O. Reg. 166/11, s. 24; Emergency plan, general.
The Licensee failed to comply with O. Reg. 166/11, s. 25; Emergency plan, retirement home with more than 10 residents.**

Specifically, the Licensee failed to comply with the following subsection(s):

24. (5) The licensee shall,

(a) on an annual basis at least, test the emergency plan, including arrangements with community agencies, partner facilities and resources that will be involved in responding to an emergency, related to,

- (i) the loss of essential services,
- (ii) situations involving a missing resident,
- (iii) medical emergencies,
- (iv) violent outbursts;

(c) keep a written record of the testing of the emergency plan and planned evacuations and of any changes made to improve the emergency plan.

25. (2) The licensee shall ensure that the development of the emergency plan includes,

(a) consultation with the relevant community agencies, partner facilities and resources that will be involved in responding to an emergency;

(b) identification of hazards and risks that may give rise to an emergency affecting the home, whether the hazards and risks arise within the home or in the surrounding vicinity or community, and strategies to address those hazards and risks.

25. (3) The licensee shall ensure that the emergency plan provides for the following:

- 2. Evacuation of the retirement home, including a system in the home to account for the whereabouts of all residents in the event that it is necessary to evacuate and relocate residents and evacuate staff and others in case of an emergency.
- 3. Resources, supplies and equipment vital for the emergency response being set aside and readily available at the retirement home and regular testing of all such resources, supplies and equipment to ensure that they are in working order.

25. (4) The licensee shall ensure that the emergency plan addresses the following components:

- 4. Specific staff roles and responsibilities.

25. (5) The licensee shall ensure that the emergency plan for the retirement home is evaluated and updated at least annually and that the updating includes contact information for the relevant community agencies, partner facilities and resources that will be involved in responding to an emergency.

Inspection Finding

The joint LTC and Retirement Home Emergency plan was not specific to the Retirement Home and was not completely aligned with the legislation. There was no evidence provided at the time of the inspection to support that the Licensee had completed the required annual testing of their emergency plan as per the legislation.
