Corrective action taken by the Licensee.

3. The Licensee failed to comply with O. Reg. 166/11, s. 31; Medication management system.

Specifically, the Licensee failed to comply with the following subsection(s):

31. (1) If one of the care services that the licensee or the staff of a retirement home provide to a resident of the home is the administration of a drug or other substance, the licensee shall establish a medication management system, which includes written policies and procedures, to ensure that all drugs and other substances to be administered to residents of the home are acquired, received in the home, stored, dispensed, administered, destroyed and disposed of correctly as required by law and in accordance with prevailing practices.

Inspection Finding

There was no written medication management policy and procedure for receiving medication at the home.

Outcome

Corrective action taken by the Licensee.

NOTICE

The Final Inspection Report is being provided to the Licensee, the Registrar of the Retirement Homes Regulatory Authority (the "RHRA") and the home's Residents' Council, if any.

Section 55 of the RHA requires that the Final Inspection Report be posted in the home in a conspicuous and easily accessible location. In addition, the Licensee must ensure that copies of every Final Inspection Report from the previous two (2) years are made available in the Home, in an easily accessible location.

The Registrar's copy of the Final Inspection Report, as it appears here, will be included on the RHRA Public Register, available online at <http://rhra.ca/en/register/>
