Purpose of Inspection
The RHRA conducts routine inspections as set out in section 77(3) of the *Retirement Homes Act, 2010* (the "RHA").

NON-COMPLIANCE
1. The Licensee failed to comply with O. Reg. 166/11, s. 26; Emergency plan, retirement home with 10 or fewer residents. Specifically, the Licensee failed to comply with the following subsection(s): **26.** The emergency plan for a retirement home that has 10 or fewer residents shall, in addition to the requirements in section 24, meet the following requirements: 1. The plan shall be developed in consultation with the relevant community agencies, partner facilities and resources that will be involved in responding to an emergency. 2. The plan shall identify and address hazards and risks that may give rise to an emergency affecting the home.
Inspection Finding The emergency plan did not address the listed items.
Outcome Corrective action scheduled to be completed by the Licensee by March 15, 2016.
2. The Licensee failed to comply with the RHA, S.O. 2010, c. 11, s. 62; Persons who approve plans of care. **The Licensee failed to comply with O. Reg. 166/11, s. 44; Full assessment of care needs.** Specifically, the Licensee failed to comply with the following subsection(s):

62. (9) The licensee shall ensure that the following persons have approved the plan of care, including any revisions to it, and that a copy is provided to them:

1. The resident or the resident's substitute decision-maker.

3. A person with the requisite expertise in assessing the suitability of care services for the resident in light of those set out in the plan, if there is no person prescribed for the purpose of paragraph 2.

44. (1) Subject to section 46, no later than 14 days after a resident commences residency in a retirement home, the licensee shall ensure that a full assessment of the resident's care needs and preferences is conducted.

44. (2) The full assessment mentioned in subsection (1) shall consider the following matters with respect to the resident:

7. The matters listed in subsection 43 (2).

Inspection Finding

There was no evidence to show the full assessment was completed within 14 days of the resident commencing residency. Further, the full assessment did not address the risk of harm to self or others. Furthermore, there was no evidence to show the required persons approved the plan of care, including any revisions to it, and that a copy was provided to them.

Outcome

Corrective action required by the Licensee.

3. The Licensee failed to comply with the RHA, S.O. 2010, c. 11, s. 65; Training.
The Licensee failed to comply with the RHA, S.O. 2010, c. 11, s. 65; Additional training for direct care staff.

Specifically, the Licensee failed to comply with the following subsection(s):

65. (2) Every licensee of a retirement home shall ensure that no staff work in the home unless they have received training in,

(a) the Residents' Bill of Rights;

(b) the licensee's policy mentioned in subsection 67 (4) to promote zero tolerance of abuse and neglect of residents;

(c) the protection afforded for whistle-blowing described in section 115;

(d) the licensee's policy mentioned in subsection 68 (3) regarding the use of personal assistance services devices for residents;

(f) fire prevention and safety;

65. (5) The licensee shall ensure that all staff who provide care services to residents receive training in the following matters and at the times required by the regulations, as a condition of continuing to have

contact with residents, in addition to the other training that they are required to receive under this section:

3. Behaviour management.

14. (1) For the purposes of clause 65 (2) (j) of the Act, every licensee of a retirement home shall ensure that all staff who work in the home receive training in the procedure described in subsection 73 (1) of the Act for a person to complain to the licensee.

27. (9) The licensee shall ensure that each staff member who works in the retirement home receives training on how to reduce the incidence of infectious disease transmission, including,

(a) the need for and method of maintaining proper hand hygiene and method of preventing cross contamination, including proper handling of soiled linens, the protection of uniforms, and the separation of clean and dirty items;

(b) the need for and process of reporting, providing surveillance of and documenting incidents of infectious illness.

55. (5) A licensee of a retirement home shall keep records proving compliance with the Act and this Regulation in relation to,

(c) the skills, qualifications and training of the staff who work in the home;

Inspection Finding

There was no evidence to show that all staff were trained in the listed items as required. Further, there was no evidence of records proving skills, qualifications, and training of staff.

Outcome

Corrective action required by the Licensee.

4. The Licensee failed to comply with O. Reg. 166/11, s. 15; Policy of zero tolerance of abuse and neglect.

Specifically, the Licensee failed to comply with the following subsection(s):

15. (3) The policy to promote zero tolerance of abuse and neglect of residents described in subsection 67 (4) of the Act shall,

(e) provide that the licensee of the retirement home shall ensure that the resident and the resident's substitute decision-makers, if any, are notified of the results of an investigation described in clause 67 (5) (e) of the Act immediately upon the completion of the investigation;

Inspection Finding

The abuse policy did not fully address the listed item.

Outcome

Corrective action required by the Licensee.

5. The Licensee failed to comply with O. Reg. 166/11, s. 20; Food preparation.

Specifically, the Licensee failed to comply with the following subsection(s):

20. (4) The licensee shall ensure that whenever food is prepared in the retirement home, at least one person involved in preparing the food holds a current certificate in food handling from the local public health unit or has recently successfully completed a food handling training program equivalent to that offered by public health units.

Inspection Finding

There was no evidence to show that whenever food is prepared in the retirement home, at least one person involved in preparing the food holds a current certificate in food handling from the local public health unit or has recently successfully completed a food handling training program equivalent to that offered by public health units.

Outcome

Corrective action required by the Licensee.

6. The Licensee failed to comply with O. Reg. 166/11, s. 29; Administration of drugs or other substances.

Specifically, the Licensee failed to comply with the following subsection(s):

29. If one of the care services that the licensee or the staff of a retirement home provide to a resident of the home is the administration of a drug or other substance, the licensee shall ensure that,

(c) neither the licensee nor a staff member administers a drug to a resident in the home unless the licensee or the staff member has received training in the procedures applicable to the administration of the drug;

Inspection Finding

There was no evidence to show the training and retraining requirements for the listed item had been met.

Outcome

Corrective action required by the Licensee.

7. The Licensee failed to comply with O. Reg. 166/11, s. 30; Storage of drugs or other substances.

Specifically, the Licensee failed to comply with the following subsection(s):

30. If drugs or other substances are stored in a retirement home on behalf of a resident, the licensee of the home shall ensure that,

(a) the drugs or other substances are stored in an area or a medication cart that,

(ii) is locked and secure,

Inspection Finding

The medications were not stored in a manner that addressed the listed item. Specifically, the medication could be accessed by unscrewing two screws.

Outcome

Corrective action required by the Licensee.

8. The Licensee failed to comply with O. Reg. 166/11, s. 31; Medication management system.
The Licensee failed to comply with O. Reg. 166/11, s. 32; Records.

Specifically, the Licensee failed to comply with the following subsection(s):

31. (1) If one of the care services that the licensee or the staff of a retirement home provide to a resident of the home is the administration of a drug or other substance, the licensee shall establish a medication management system, which includes written policies and procedures, to ensure that all drugs and other substances to be administered to residents of the home are acquired, received in the home, stored, dispensed, administered, destroyed and disposed of correctly as required by law and in accordance with prevailing practices.

32. If the licensee or a member of the staff of a retirement home administers a drug or other substance to a resident, the licensee shall ensure that,

(b) if a drug is administered, there is written evidence that the drug was prescribed for the resident by a person who is authorized to prescribe a drug under section 27 of the Regulated Health Professions Act, 1991;

Inspection Finding

The medication management policy was not in line with the legislation. Further, the written record for medication administration did not indicate the time the medications were being administered.

Outcome

Corrective action required by the Licensee.
