<p>2. The Licensee failed to comply with O. Reg. 166/11, s. 11; Posted information.</p> <p>Specifically, the Licensee failed to comply with the following subsection(s):</p>

11. (1) For the purposes of paragraph 4 of subsection 55 (2) of the Act, the following information is prescribed as information that must be posted in a retirement home under that subsection:

3. An explanation of the procedures to be followed in the case of an evacuation.

Inspection Finding

At the time of inspection the retirement home had not posted an explanation of the procedures to be followed in case of an evacuation of the home as prescribed.

Outcome

The Licensee must take corrective action to achieve compliance.

- 3. The Licensee failed to comply with O. Reg. 166/11, s. 24; Emergency plan, general.
The Licensee failed to comply with O. Reg. 166/11, s. 25; Emergency plan, retirement home with more than 10 residents.**

Specifically, the Licensee failed to comply with the following subsection(s):

24. (5) The licensee shall,

(a) on an annual basis at least, test the emergency plan, including arrangements with community agencies, partner facilities and resources that will be involved in responding to an emergency, related to,

- (i) the loss of essential services,
- (ii) situations involving a missing resident,
- (iii) medical emergencies,
- (iv) violent outbursts;

(c) keep a written record of the testing of the emergency plan and planned evacuations and of any changes made to improve the emergency plan.

25. (2) The licensee shall ensure that the development of the emergency plan includes,

(b) identification of hazards and risks that may give rise to an emergency affecting the home, whether the hazards and risks arise within the home or in the surrounding vicinity or community, and strategies to address those hazards and risks.

25. (3) The licensee shall ensure that the emergency plan provides for the following:

1. Dealing with,
 - iii. violent outbursts,
 - v. medical emergencies,

25. (4) The licensee shall ensure that the emergency plan addresses the following components:

1. Plan activation.
2. Lines of authority.
3. Communications plan.
4. Specific staff roles and responsibilities.

25. (5) The licensee shall ensure that the emergency plan for the retirement home is evaluated and updated at least annually and that the updating includes contact information for the relevant community agencies, partner facilities and resources that will be involved in responding to an emergency.

Inspection Finding

At the time of inspection the Licensee could not provide evidence of annual testing of the emergency plan or the identification of risks and hazards as prescribed. The emergency plan did not include all the required content with procedures specific to the home. The plan did not include details concerning plan activation, lines of authority, communications and roles and responsibilities for all emergency scenarios. There was no evidence that the emergency plan was evaluated and updated at least annually.

Outcome

The Licensee must take corrective action to achieve compliance.

4. The Licensee failed to comply with O. Reg. 166/11, s. 27; Infection prevention and control program.

Specifically, the Licensee failed to comply with the following subsection(s):

27. (2) The licensee shall consult on an ongoing basis and not less than once a year with the local medical officer of health or designate about identifying and addressing health care issues in the retirement home in order to reduce the incidence of infectious disease outbreaks in the home.

27. (3) The licensee shall keep a written record of the consultation required under subsection (2) that shall include a record of when the consultation took place, what was discussed and any recommendations that the local medical officer of health or designate made.

27. (4) The licensee of a retirement home shall ensure that a written surveillance protocol is established in consultation with the local medical officer of health or designate in order to identify, document and monitor residents who report symptoms of respiratory or gastrointestinal illness.

27. (5) The licensee of a retirement home shall ensure that,
(b) if there is an increase in the number of symptomatic residents in the home, the increase is reported immediately to the local medical officer of health or designate and that the officer or designate, as the case may be, is consulted;

Inspection Finding

At the time of inspection the Licensee had not conducted a consultation with the medical officer of health as required and had not kept a written record of the consultation. There was no evidence of a written surveillance protocol that met all the requirements.

Outcome

The Licensee must take corrective action to achieve compliance.

**5. The Licensee failed to comply with O. Reg. 166/11, s. 43; Initial assessment of care needs.
The Licensee failed to comply with O. Reg. 166/11, s. 44; Full assessment of care needs.**

Specifically, the Licensee failed to comply with the following subsection(s):

43. (2) The initial assessment mentioned in subsection (1) shall consider the following matters with respect to the resident:

- 2. Presence of infectious diseases.
- 3. Risk of falling.
- 7. Risk of harm to self and to others.
- 8. Risk of wandering.

44. (1) Subject to section 46, no later than 14 days after a resident commences residency in a retirement home, the licensee shall ensure that a full assessment of the resident’s care needs and preferences is conducted.

Inspection Finding

The initial assessment presented for inspection did not meet all of the requirements prescribed. Also, there was evidence that the full assessment is not completed for all residents within the prescribed time frame.

Outcome

The Licensee must take corrective action to achieve compliance.

6. The Licensee failed to comply with the RHA, S.O. 2010, c. 11, s. 65; On-going training. The Licensee failed to comply with O. Reg. 166/11, s. 14; Staff training.

Specifically, the Licensee failed to comply with the following subsection(s):

65. (4) The licensee shall ensure that the persons who are required to receive the training described in subsection (2) receive on-going training as described in that subsection at the times required by the regulations.

14. (1) For the purposes of clause 65 (2) (j) of the Act, every licensee of a retirement home shall ensure that all staff who work in the home receive training in the procedure described in subsection 73 (1) of the Act for a person to complain to the licensee.

Inspection Finding

At the time of inspection there was insufficient evidence that all staff were receiving training in the procedure for a person to complain to the Licensee or that all staff were receiving annual training as prescribed.

Outcome

The Licensee must take corrective action to achieve compliance.

7. The Licensee failed to comply with the RHA, S.O. 2010, c. 11, s. 67; Contents.

The Licensee failed to comply with O. Reg. 166/11, s. 15; Policy of zero tolerance of abuse and neglect.

Specifically, the Licensee failed to comply with the following subsection(s):

67. (5) At a minimum, the policy to promote zero tolerance of abuse and neglect of residents shall,
(c) provide for a program for preventing abuse and neglect;

15. (3) The policy to promote zero tolerance of abuse and neglect of residents described in subsection 67
(4) of the Act shall,

(a) contain procedures and interventions to assist and support residents who have been abused or neglected or allegedly abused or neglected;

Inspection Finding

The non-abuse policy presented for inspection did not contain all the content prescribed in the legislation.

Outcome

The Licensee must take corrective action to achieve compliance.

8. The Licensee failed to comply with O. Reg. 166/11, s. 59; Procedure for complaints to licensee.

Specifically, the Licensee failed to comply with the following subsection(s):

59. (1) Every licensee of a retirement home shall ensure that every written or verbal complaint made to the licensee or a staff member concerning the care of a resident or operation of the home is dealt with as follows:

1. The complaint shall be investigated. If the complaint alleges harm or risk of harm to one or more residents, the investigation shall be commenced immediately.

59. (2) The licensee shall ensure that a written record is kept in the retirement home that includes,

(c) the type of action taken to resolve the complaint, including the date of the action, time frames for actions to be taken and any follow-up action required;

(d) the final resolution, if any, of the complaint;

(e) every date on which any response was provided to the complainant and a description of the response;

Inspection Finding

The complaint procedure presented for inspection did not contain all the content prescribed in the legislation. The Licensee did not provide evidence of a written record of complaints that met all of the requirements.

Outcome

The Licensee must take corrective action to achieve compliance.

9. The Licensee failed to comply with O. Reg. 166/11, s. 23; Behaviour management.

Specifically, the Licensee failed to comply with the following subsection(s):

23. (1) Every licensee of a retirement home shall develop and implement a written behaviour management strategy that includes,

- (a) techniques to prevent and address resident behaviours that pose a risk to the resident or others in the home;
- (b) strategies for interventions to prevent and address resident behaviours that pose a risk to the resident or others in the home;
- (c) strategies for monitoring residents that have demonstrated behaviours that pose a risk to the resident or others in the home;
- (d) protocols for how staff and volunteers shall report and be informed of resident behaviours that pose a risk to the resident or others in the home.

Inspection Finding

At the time of the inspection the Licensee did not provide evidence of a written behaviour management strategy for the home as prescribed by the legislation.

Outcome

The Licensee must take corrective action to achieve compliance.

NOTICE

The Final Inspection Report is being provided to the Licensee, the Registrar of the Retirement Homes Regulatory Authority (the "RHRA") and the home's Residents' Council, if any.

Section 55 of the RHA requires that the Final Inspection Report be posted in the home in a conspicuous and easily accessible location. In addition, the Licensee must ensure that copies of every Final Inspection Report from the previous two (2) years are made available in the Home, in an easily accessible location.

The Registrar's copy of the Final Inspection Report, as it appears here, will be included on the RHRA Public Register, available online at <http://rhra.ca/en/register/>
