(4) The licensee of a retirement home shall ensure that there is a written plan of care for each resident of the home that sets out,</p> <p>(a) the care services that are part of a package of care services that the resident is entitled to receive under the resident's agreement with the licensee, whether or not the resident receives the services;</p> <p>(b) the planned care services for the resident that the licensee will provide, including,</p> <p>(c) if the resident has consented to the inclusion of the information in the plan of care, the planned care services for the resident that external care providers will provide with the consent of the resident, to the extent that such information is available to the licensee after the licensee has taken all reasonable steps to obtain such information from the resident and the external care provider, including,</p>

(d) a statement indicating whether the resident has provided consent to the licensee to collect information from external care providers, to use such information and to disclose the contents of the plan of care to external care providers and others.

62. (6) The licensee shall ensure that the plan of care is based on an assessment of the resident and the needs and preferences of the resident.

62. (9) The licensee shall ensure that the following persons have approved the plan of care, including any revisions to it, and that a copy is provided to them:

1. The resident or the resident's substitute decision-maker.
2. The prescribed person if there is a person prescribed for the purpose of this paragraph.
3. A person with the requisite expertise in assessing the suitability of care services for the resident in light of those set out in the plan, if there is no person prescribed for the purpose of paragraph 2.

62. (12) The licensee shall ensure that the resident is reassessed and the plan of care reviewed and revised at least every six months and at any other time if, in the opinion of the licensee or the resident,

- (a) a goal in the plan is met;
- (b) the resident's care needs change or the care services set out in the plan are no longer necessary;
- (c) the care services set out in the plan have not been effective.

43. (1) Subject to section 45, no later than two days after a resident commences residency in a retirement home, the licensee of the home shall ensure that an initial assessment of the resident's immediate care needs is conducted.

43. (2) The initial assessment mentioned in subsection (1) shall consider the following matters with respect to the resident:

1. Continence.
2. Presence of infectious diseases.
3. Risk of falling.
4. Known allergies.
5. Dietary needs including known food restrictions.
6. Cognitive ability.
7. Risk of harm to self and to others.
8. Risk of wandering.
9. Needs related to drugs and other substances.

44. (1) Subject to section 46, no later than 14 days after a resident commences residency in a retirement home, the licensee shall ensure that a full assessment of the resident's care needs and preferences is conducted.

44. (2) The full assessment mentioned in subsection (1) shall consider the following matters with respect to the resident:

1. Physical and mental health.
2. Functional capacity.

3. Cognitive ability.
4. Behavioural issues.
5. Need for care services.
6. Need for assistance with the activities of daily living.
7. The matters listed in subsection 43 (2).
8. Any other matter relevant to developing a plan of care for the resident.

47. (1) Subject to subsection (4), as soon as possible and not later than two days after a resident commences residency in a retirement home, the licensee of a retirement home shall develop an initial plan of care for the resident based on the initial assessment of the resident's immediate care needs conducted under section 43 that includes all of the information listed in subsection 62 (4) of the Act that is relevant to the resident's immediate care needs.

47. (2) No later than 21 days after a resident commences residency in a retirement home, the licensee of the home shall develop a complete plan of care for the resident based on the full assessment of the resident's care needs and preferences conducted under section 44 that takes into account all of the matters that must be considered in a full assessment.

Inspection Finding

The licensee did not ensure that an initial and full assessment of care needs was conducted on at least one resident and that a plan of care was developed based on the assessment. The licensee did not ensure that at least two residents were reassessed and that the plan of care for the residents was reviewed and revised at least every six months and at any other time as per the legislation. Further, the licensee did not ensure that the plans of care that were previously completed are approved by the required persons and that a copy is provided to them.

Outcome

The Licensee submitted plan to achieve compliance by November 29, 2016. RHRA to confirm compliance by inspection.

2. The Licensee failed to comply with O. Reg. 166/11, s. 23; Behaviour management.

Specifically, the Licensee failed to comply with the following subsection(s):

23. (1) Every licensee of a retirement home shall develop and implement a written behaviour management strategy that includes,

- (a) techniques to prevent and address resident behaviours that pose a risk to the resident or others in the home;
- (b) strategies for interventions to prevent and address resident behaviours that pose a risk to the resident or others in the home;
- (c) strategies for monitoring residents that have demonstrated behaviours that pose a risk to the resident or others in the home;
- (d) protocols for how staff and volunteers shall report and be informed of resident behaviours that pose a risk to the resident or others in the home.

23. (2) The licensee shall ensure that all staff who provide care services to residents are advised at the beginning of every shift of each resident whose behaviours require heightened monitoring because those behaviours pose a risk to the resident or others in the home.

Inspection Finding

The licensee did not implement the homes behavior management strategies for three residents whose files were reviewed.

Outcome

The Licensee submitted plan to achieve compliance by November 29, 2016. RHRA to confirm compliance by inspection.

NOTICE

The Final Inspection Report is being provided to the Licensee, the Registrar of the Retirement Homes Regulatory Authority (the "RHRA") and the home's Residents' Council, if any.

Section 55 of the RHA requires that the Final Inspection Report be posted in the home in a conspicuous and easily accessible location. In addition, the Licensee must ensure that copies of every Final Inspection Report from the previous two (2) years are made available in the Home, in an easily accessible location.

The Registrar's copy of the Final Inspection Report, as it appears here, will be included on the RHRA Public Register, available online at <http://rhra.ca/en/register/>
