(1) Subject to section 45, no later than two days after a resident commences residency in a retirement home, the licensee of the home shall ensure that an initial assessment of the resident's immediate care needs is conducted.</p> <p>44. (1) Subject to section 46, no later than 14 days after a resident commences residency in a retirement home, the licensee shall ensure that a full assessment of the resident's care needs and preferences is conducted.</p>
<p>Inspection Finding</p> <p>The Licensee failed to ensure that a resident's reviewed initial and full assessments were dated, therefore, the inspector was unable to ascertain if either assessment was completed within the prescribed time frame.</p>
<p>Outcome</p> <p>The Licensee must take corrective action to achieve compliance.</p>
<p>2. The Licensee failed to comply with the RHA, S.O. 2010, c. 11, s. 62; Plan of care. The Licensee failed to comply with the RHA, S.O. 2010, c. 11, s. 62; Contents of plan. The Licensee failed to comply with the RHA, S.O. 2010, c. 11, s. 62; Persons who approve plans of care. The Licensee failed to comply with O. Reg. 166/11, s. 47; Development of plan of care.</p>

Specifically, the Licensee failed to comply with the following subsection(s):

62. (1) When a resident commences his or her residency in a retirement home, the licensee shall, within the prescribed times, ensure that the resident is assessed and that a plan of care is developed based on the assessment and in accordance with this section and the regulations.

62. (4) The licensee of a retirement home shall ensure that there is a written plan of care for each resident of the home that sets out,

(b) the planned care services for the resident that the licensee will provide, including,

(i) the details of the services,

(ii) the goals that the services are intended to achieve,

(iii) clear directions to the licensee’s staff who provide direct care to the resident;

(a) the care services that are part of a package of care services that the resident is entitled to receive under the resident’s agreement with the licensee, whether or not the resident receives the services;

62. (9) The licensee shall ensure that the following persons have approved the plan of care, including any revisions to it, and that a copy is provided to them:

1. The resident or the resident’s substitute decision-maker.

47. (2) No later than 21 days after a resident commences residency in a retirement home, the licensee of the home shall develop a complete plan of care for the resident based on the full assessment of the resident’s care needs and preferences conducted under section 44 that takes into account all of the matters that must be considered in a full assessment.

Inspection Finding

The Licensee failed to ensure that a resident’s reviewed plan of care was dated, therefore, the inspector was unable to ascertain if it was completed within the prescribed time frame. Furthermore, the reviewed plan of care was not signed by the resident or their substitute decision-maker and did not include details regarding the care services, the goals of the services or clear directions to the staff on how to provide those services. In addition, there was no evidence provided during the inspection to show or support that a plan of care was completed for another resident.

Outcome

The Licensee must take corrective action to achieve compliance.

3. The Licensee failed to comply with O. Reg. 166/11, s. 29; Administration of drugs or other substances.

The Licensee failed to comply with O. Reg. 166/11, s. 32; Records.

Specifically, the Licensee failed to comply with the following subsection(s):

29. If one of the care services that the licensee or the staff of a retirement home provide to a resident of the home is the administration of a drug or other substance, the licensee shall ensure that,

(a) no drug is administered by the licensee or the staff to the resident in the home unless the drug has been prescribed for the resident by a person who is authorized to prescribe a drug under section 27 of the Regulated Health Professions Act, 1991;

32. If the licensee or a member of the staff of a retirement home administers a drug or other substance to a resident, the licensee shall ensure that,

(a) the person who administered the drug or other substance prepares a written record noting the name and amount of the drug or other substance, the route of its administration and the time and date on which it was administered;

(b) if a drug is administered, there is written evidence that the drug was prescribed for the resident by a person who is authorized to prescribe a drug under section 27 of the Regulated Health Professions Act, 1991;

Inspection Finding

The Licensee failed to ensure the reviewed medication administration records were consistently documented to indicate all medications were administered to the residents. In addition, the evidence provided during the inspection showed that not all medications listed on a resident's medication administration record had corresponding physician orders.

Outcome

The Licensee must take corrective action to achieve compliance.

NOTICE

The Final Inspection Report is being provided to the Licensee, the Registrar of the Retirement Homes Regulatory Authority (the "RHRA") and the home's Residents' Council, if any.

Section 55 of the RHA requires that the Final Inspection Report be posted in the home in a conspicuous and easily accessible location. In addition, the Licensee must ensure that copies of every Final Inspection Report from the previous two (2) years are made available in the Home, in an easily accessible location.

The Registrar's copy of the Final Inspection Report, as it appears here, will be included on the RHRA Public Register, available online at <http://rhra.ca/en/register/>
