Inspection Type: Routine Inspection	
Licensee: 1700350 Ontario Ltd. / 99 Walford Road, Sudbury, ON P3E 6K3 (the "Licensee")	
Retirement Home: The Walford Timmins / 750 Tamarack Street, Timmins, ON P4N 0A4 (the "home")	
Licence Number: N0170	

Purpose of Inspection
The RHRA conducts routine inspections as set out in section 77(3) of the *Retirement Homes Act, 2010* (the "RHA").

NON-COMPLIANCE
1. The Licensee failed to comply with the RHA, S.O. 2010, c. 11, s. 54; Contents. Specifically, the Licensee failed to comply with the following subsection(s): **54. (2)** The package of information shall include, at a minimum, (c) the licensee's policy mentioned in subsection 67 (4) to promote zero tolerance of abuse and neglect of residents; (d) the licensee's procedure for complaints mentioned in subsection 73 (1); (k) an itemized list of the different types of accommodation and care services provided in the retirement home and their prices; (l) a statement that a resident may purchase or apply for care services, other services, programs or goods from external care providers; (s) information as to whether the retirement home has automatic sprinklers in each resident's room;
Inspection Finding The home's information package provided at the time of inspection did not contain all the noted required criteria.
Outcome The Licensee must take corrective action to achieve compliance.
2. The Licensee failed to comply with O. Reg. 166/11, s. 24; Emergency plan, general.

Specifically, the Licensee failed to comply with the following subsection(s):

24. (4) The licensee shall keep current all arrangements with community agencies, partner facilities and resources that will be involved in responding to an emergency.

24. (5) The licensee shall,

(a) on an annual basis at least, test the emergency plan, including arrangements with community agencies, partner facilities and resources that will be involved in responding to an emergency, related to,

(ii) situations involving a missing resident,

(iii) medical emergencies,

(iv) violent outbursts;

(c) keep a written record of the testing of the emergency plan and planned evacuations and of any changes made to improve the emergency plan.

Inspection Finding

The Licensee's emergency plan is aligned with the legislation; however, the home failed to provide documented evidence to support that the home completed the required annual testing of their emergency plan in the noted areas. Further, community partners were identified; however, current letters of understanding were not in place for the partners listed.

Outcome

The Licensee must take corrective action to achieve compliance.

3. The Licensee failed to comply with O. Reg. 166/11, s. 27; Infection prevention and control program.

Specifically, the Licensee failed to comply with the following subsection(s):

27. (2) The licensee shall consult on an ongoing basis and not less than once a year with the local medical officer of health or designate about identifying and addressing health care issues in the retirement home in order to reduce the incidence of infectious disease outbreaks in the home.

27. (3) The licensee shall keep a written record of the consultation required under subsection (2) that shall include a record of when the consultation took place, what was discussed and any recommendations that the local medical officer of health or designate made.

Inspection Finding

The Licensee was unable show evidence that a consultation with the local medical officer of health or designate occurred annually as a written record of that consultation was not provided during the routine inspection.

Outcome

The Licensee must take corrective action to achieve compliance.

4. The Licensee failed to comply with O. Reg. 166/11, s. 44; Full assessment of care needs.

Specifically, the Licensee failed to comply with the following subsection(s):

44. (2) The full assessment mentioned in subsection (1) shall consider the following matters with respect to the resident:

7. The matters listed in subsection 43 (2).

Inspection Finding

The full assessments provided at the time of inspection did not include all matters listed in the initial assessment, specifically, allergies.

Outcome

The Licensee must take corrective action to achieve compliance.

5. The Licensee failed to comply with the RHA, S.O. 2010, c. 11, s. 65; Training.
The Licensee failed to comply with the RHA, S.O. 2010, c. 11, s. 65; On-going training.

Specifically, the Licensee failed to comply with the following subsection(s):

65. (2) Every licensee of a retirement home shall ensure that no staff work in the home unless they have received training in,

(a) the Residents' Bill of Rights;

(b) the licensee's policy mentioned in subsection 67 (4) to promote zero tolerance of abuse and neglect of residents;

(c) the protection afforded for whistle-blowing described in section 115;

(d) the licensee's policy mentioned in subsection 68 (3) regarding the use of personal assistance services devices for residents;

(f) fire prevention and safety;

65. (4) The licensee shall ensure that the persons who are required to receive the training described in subsection (2) receive on-going training as described in that subsection at the times required by the regulations.

65. (5) The licensee shall ensure that all staff who provide care services to residents receive training in the following matters and at the times required by the regulations, as a condition of continuing to have contact with residents, in addition to the other training that they are required to receive under this section:

3. Behaviour management.

14. (1) For the purposes of clause 65 (2) (j) of the Act, every licensee of a retirement home shall ensure that all staff who work in the home receive training in the procedure described in subsection 73 (1) of the Act for a person to complain to the licensee.

14. (2) For the purposes of subsection 65 (4) of the Act, the licensee shall ensure that the persons who are required to receive training under subsection 65 (2) of the Act receive the training at least annually.

27. (9) The licensee shall ensure that each staff member who works in the retirement home receives training on how to reduce the incidence of infectious disease transmission, including,

(a) the need for and method of maintaining proper hand hygiene and method of preventing cross contamination, including proper handling of soiled linens, the protection of uniforms, and the separation of clean and dirty items;

(b) the need for and process of reporting, providing surveillance of and documenting incidents of infectious illness.

Inspection Finding

The Licensee failed to ensure that all staff completed the required training prior to the commencement of work in the home, and that all staff completed their required annual training.

Outcome

The Licensee must take corrective action to achieve compliance.

6. The Licensee failed to comply with the RHA, S.O. 2010, c. 11, s. 67; Contents.
The Licensee failed to comply with O. Reg. 166/11, s. 15; Policy of zero tolerance of abuse and neglect.

Specifically, the Licensee failed to comply with the following subsection(s):

67. (5) At a minimum, the policy to promote zero tolerance of abuse and neglect of residents shall,

(a) clearly set out what constitutes abuse and neglect;

(f) set out the consequences for those who abuse or neglect residents;

15. (1) The program for preventing abuse and neglect described in clause 67 (5) (c) of the Act shall entail training and retraining requirements for all staff of the retirement home, including,

(a) training on the relationship between power imbalances between staff and residents and the potential for abuse and neglect by those in a position of trust, power and responsibility for resident care;

(b) situations that may lead to abuse and neglect and how to avoid such situations.

15. (3) The policy to promote zero tolerance of abuse and neglect of residents described in subsection 67 (4) of the Act shall,

(d) provide that the licensee of the retirement home shall ensure that the resident's substitute decision-makers, if any, and any other person specified by the resident,

(i) are notified immediately upon the licensee becoming aware of an alleged, suspected or witnessed incident of abuse or neglect of a resident that has resulted in a physical injury or

pain to a resident or that causes distress to a resident that could potentially be detrimental to a resident's health or well-being,

(ii) are notified within 12 hours upon the licensee becoming aware of any other alleged, suspected or witnessed incident of abuse or neglect of a resident;

(g) provide that the licensee of the retirement home shall ensure that,

(i) an analysis of every incident of abuse or neglect of a resident at the home is undertaken promptly after the licensee becomes aware of it,

(ii) at least once in every calendar year, an evaluation is made to determine the effectiveness of the policy and what changes and improvements are required to prevent further occurrences of abuse and neglect of residents,

(iii) the results of the analysis undertaken under subclause (i) are considered in the evaluation mentioned in subclause (ii),

(iv) the changes and improvements mentioned in subclause (ii) are promptly implemented,

(v) a written record of everything provided for in subclauses (ii) and (iv) and the date of the evaluation, the names of the persons who participated in the evaluation and the date that the changes and improvements were implemented is promptly prepared.

(b) contain procedures and interventions to deal with persons who have abused or neglected or allegedly abused or neglected residents, as appropriate;

(e) provide that the licensee of the retirement home shall ensure that the resident and the resident's substitute decision-makers, if any, are notified of the results of an investigation described in clause 67 (5) (e) of the Act immediately upon the completion of the investigation;

Inspection Finding

The Licensee's zero tolerance of abuse and neglect policy provided at the time of inspection did not align with the legislation in the prescribed areas.

Outcome

The Licensee must take corrective action to achieve compliance.

7. The Licensee failed to comply with O. Reg. 166/11, s. 29; Administration of drugs or other substances.

Specifically, the Licensee failed to comply with the following subsection(s):

29. If one of the care services that the licensee or the staff of a retirement home provide to a resident of the home is the administration of a drug or other substance, the licensee shall ensure that,

(e) if the licensee or a staff member is involved in the administration of the drug or other substance at the home, that the licensee or staff member is trained in,

(i) ways of reducing the incidence of infectious disease, including maintaining proper hand hygiene,

(ii) the safe disposal of syringes and other sharps,

(iii) recognizing an adverse drug reaction and taking appropriate action;

(c) neither the licensee nor a staff member administers a drug to a resident in the home unless the licensee or the staff member has received training in the procedures applicable to the administration of the drug;

Inspection Finding

The Licensee failed to ensure that all staff administering medications to residents in the home have completed the required training relating to the administration of a drug.

Outcome

The Licensee must take corrective action to achieve compliance.

8. The Licensee failed to comply with O. Reg. 166/11, s. 30; Storage of drugs or other substances.

Specifically, the Licensee failed to comply with the following subsection(s):

30. If drugs or other substances are stored in a retirement home on behalf of a resident, the licensee of the home shall ensure that,

(a) the drugs or other substances are stored in an area or a medication cart that,

(i) is used exclusively for drugs or other substances and for supplies related to drugs or other substances,

Inspection Finding

The Licensee failed to ensure that a refrigerator was used solely for the storage of medication, as unrelated food items were observed in the same location.

Outcome

The Licensee must take corrective action to achieve compliance.

9. The Licensee failed to comply with O. Reg. 166/11, s. 31; Medication management system.

Specifically, the Licensee failed to comply with the following subsection(s):

31. (1) If one of the care services that the licensee or the staff of a retirement home provide to a resident of the home is the administration of a drug or other substance, the licensee shall establish a medication management system, which includes written policies and procedures, to ensure that all drugs and other substances to be administered to residents of the home are acquired, received in the home, stored, dispensed, administered, destroyed and disposed of correctly as required by law and in accordance with prevailing practices.

Inspection Finding

The Licensee's written medication management policies and procedures did not include how medications are to be dispensed.

Outcome
The Licensee must take corrective action to achieve compliance.

NOTICE
