(4) The licensee shall keep current all arrangements with community agencies, partner facilities and resources that will be involved in responding to an emergency.</p>

24. (5) The licensee shall,

(a) on an annual basis at least, test the emergency plan, including arrangements with community agencies, partner facilities and resources that will be involved in responding to an emergency, related to,

- (i) the loss of essential services,
- (ii) situations involving a missing resident,
- (iii) medical emergencies,
- (iv) violent outbursts;

Inspection Finding

The Licensee's emergency plan is aligned with the legislation; however, the home failed to provide documented evidence to support that the home completed the required annual testing of their emergency plan in the noted areas. Further, community partners were identified; however, current letters of understanding were not in place for all the partners listed.

Outcome

The Licensee submitted plan to achieve compliance by May 18, 2018. RHRA to confirm compliance by inspection.

3. The Licensee failed to comply with O. Reg. 166/11, s. 27; Infection prevention and control program.

Specifically, the Licensee failed to comply with the following subsection(s):

27. (2) The licensee shall consult on an ongoing basis and not less than once a year with the local medical officer of health or designate about identifying and addressing health care issues in the retirement home in order to reduce the incidence of infectious disease outbreaks in the home.

27. (3) The licensee shall keep a written record of the consultation required under subsection (2) that shall include a record of when the consultation took place, what was discussed and any recommendations that the local medical officer of health or designate made.

Inspection Finding

The Licensee failed to ensure that a consultation with the local medical officer of health or designate occurred annually.

Outcome

The Licensee has advised it has taken corrective action to achieve compliance. RHRA to confirm compliance by inspection.

**4. The Licensee failed to comply with O. Reg. 166/11, s. 43; Initial assessment of care needs.
The Licensee failed to comply with O. Reg. 166/11, s. 44; Full assessment of care needs.**

Specifically, the Licensee failed to comply with the following subsection(s):

43. (2) The initial assessment mentioned in subsection (1) shall consider the following matters with respect to the resident:

- 7. Risk of harm to self and to others.

44. (2) The full assessment mentioned in subsection (1) shall consider the following matters with respect to the resident:

5. Need for care services.

Inspection Finding

The routine inspection revealed the initial assessments did not consider the noted areas and that the full assessments did not consider the need for all care services, specifically, continence care, ambulation and personal hygiene.

Outcome

The Licensee has advised it has taken corrective action to achieve compliance. RHRA to confirm compliance by inspection.

- 5. The Licensee failed to comply with the RHA, S.O. 2010, c. 11, s. 65; Training.**
The Licensee failed to comply with the RHA, S.O. 2010, c. 11, s. 65; On-going training.
The Licensee failed to comply with the RHA, S.O. 2010, c. 11, s. 65; Additional training for direct care staff.

The Licensee failed to comply with O. Reg. 166/11, s. 27; Infection prevention and control program.

Specifically, the Licensee failed to comply with the following subsection(s):

65. (2) Every licensee of a retirement home shall ensure that no staff work in the home unless they have received training in,

- (a) the Residents' Bill of Rights;
- (b) the licensee's policy mentioned in subsection 67 (4) to promote zero tolerance of abuse and neglect of residents;
- (c) the protection afforded for whistle-blowing described in section 115;
- (d) the licensee's policy mentioned in subsection 68 (3) regarding the use of personal assistance services devices for residents;
- (f) fire prevention and safety;

65. (4) The licensee shall ensure that the persons who are required to receive the training described in subsection (2) receive on-going training as described in that subsection at the times required by the regulations.

65. (5) The licensee shall ensure that all staff who provide care services to residents receive training in the following matters and at the times required by the regulations, as a condition of continuing to have contact with residents, in addition to the other training that they are required to receive under this section:

- 3. Behaviour management.

14. (1) For the purposes of clause 65 (2) (j) of the Act, every licensee of a retirement home shall ensure that all staff who work in the home receive training in the procedure described in subsection 73 (1) of the Act for a person to complain to the licensee.

14. (2) For the purposes of subsection 65 (4) of the Act, the licensee shall ensure that the persons who are required to receive training under subsection 65 (2) of the Act receive the training at least annually.

27. (9) The licensee shall ensure that each staff member who works in the retirement home receives training on how to reduce the incidence of infectious disease transmission, including,

- (a) the need for and method of maintaining proper hand hygiene and method of preventing cross contamination, including proper handling of soiled linens, the protection of uniforms, and the separation of clean and dirty items;
- (b) the need for and process of reporting, providing surveillance of and documenting incidents of infectious illness.

Inspection Finding

The routine inspection revealed the Licensee failed to ensure that all staff were trained in the noted areas prior to the commencement of work in the home, and that all staff completed their annual training in the required areas.

Outcome

The Licensee submitted plan to achieve compliance by May 25, 2018. RHRA to confirm compliance by inspection.

6. The Licensee failed to comply with O. Reg. 166/11, s. 15; Policy of zero tolerance of abuse and neglect.

Specifically, the Licensee failed to comply with the following subsection(s):

15. (3) The policy to promote zero tolerance of abuse and neglect of residents described in subsection 67 (4) of the Act shall,

- (g) provide that the licensee of the retirement home shall ensure that,
 - (i) an analysis of every incident of abuse or neglect of a resident at the home is undertaken promptly after the licensee becomes aware of it,
 - (iii) the results of the analysis undertaken under subclause (i) are considered in the evaluation mentioned in subclause (ii),

- (b) contain procedures and interventions to deal with persons who have abused or neglected or allegedly abused or neglected residents, as appropriate;

Inspection Finding

The Licensee's zero tolerance of abuse and neglect policy is not aligned with the legislation in the prescribed areas.

Outcome

The Licensee submitted plan to achieve compliance by May 25, 2018. RHRA to confirm compliance by inspection.

7. The Licensee failed to comply with O. Reg. 166/11, s. 59; Procedure for complaints to licensee.

Specifically, the Licensee failed to comply with the following subsection(s):

59. (2) The licensee shall ensure that a written record is kept in the retirement home that includes,

- (d) the final resolution, if any, of the complaint;
- (e) every date on which any response was provided to the complainant and a description of the response;

Inspection Finding

The evidence reviewed at the time of the inspection supported that the home documented complaints; however, the complaints record was not consistently compliant in the areas listed.

Outcome

The Licensee has advised it has taken corrective action to achieve compliance. RHRA to confirm compliance by inspection.

8. The Licensee failed to comply with O. Reg. 166/11, s. 22; Risk of falls.

Specifically, the Licensee failed to comply with the following subsection(s):

22. (1) Every licensee of a retirement home shall develop, document and implement strategies to reduce or mitigate the risk of falls in common areas of the home.

Inspection Finding

The routine inspection revealed the home did not fully implement the strategies to mitigate falls as there was insufficient documented evidence to show the home's response to falls, corrective actions taken and completed falls risk assessment of residents upon admission to the home.

Outcome

The Licensee has advised it has taken corrective action to achieve compliance. RHRA to confirm compliance by inspection.

9. The Licensee failed to comply with O. Reg. 166/11, s. 23; Behaviour management.

Specifically, the Licensee failed to comply with the following subsection(s):

23. (1) Every licensee of a retirement home shall develop and implement a written behaviour management strategy that includes,

- (c) strategies for monitoring residents that have demonstrated behaviours that pose a risk to the resident or others in the home;
- (d) protocols for how staff and volunteers shall report and be informed of resident behaviours that pose a risk to the resident or others in the home.

Inspection Finding

The Licensee's current behaviour management policy is not aligned with the legislation in the prescribed areas.

Outcome

The Licensee submitted plan to achieve compliance by May 19, 2018. RHRA to confirm compliance by inspection.

10. The Licensee failed to comply with O. Reg. 166/11, s. 29; Administration of drugs or other substances.

Specifically, the Licensee failed to comply with the following subsection(s):

29. If one of the care services that the licensee or the staff of a retirement home provide to a resident of the home is the administration of a drug or other substance, the licensee shall ensure that,

- (e) if the licensee or a staff member is involved in the administration of the drug or other substance at the home, that the licensee or staff member is trained in,

- (i) ways of reducing the incidence of infectious disease, including maintaining proper hand hygiene,
 - (ii) the safe disposal of syringes and other sharps,
 - (iii) recognizing an adverse drug reaction and taking appropriate action;
- (c) neither the licensee nor a staff member administers a drug to a resident in the home unless the licensee or the staff member has received training in the procedures applicable to the administration of the drug;

Inspection Finding

The Licensee failed to ensure that staff received training in the noted prescribed areas in relation to the administration of a drug.

Outcome

The Licensee submitted plan to achieve compliance by May 11, 2018. RHRA to confirm compliance by inspection.

11. The Licensee failed to comply with O. Reg. 166/11, s. 31; Medication management system. The Licensee failed to comply with O. Reg. 166/11, s. 32; Records.

Specifically, the Licensee failed to comply with the following subsection(s):

31. (1) If one of the care services that the licensee or the staff of a retirement home provide to a resident of the home is the administration of a drug or other substance, the licensee shall establish a medication management system, which includes written policies and procedures, to ensure that all drugs and other substances to be administered to residents of the home are acquired, received in the home, stored, dispensed, administered, destroyed and disposed of correctly as required by law and in accordance with prevailing practices.

32. If the licensee or a member of the staff of a retirement home administers a drug or other substance to a resident, the licensee shall ensure that,

- (b) if a drug is administered, there is written evidence that the drug was prescribed for the resident by a person who is authorized to prescribe a drug under section 27 of the Regulated Health Professions Act, 1991;

Inspection Finding

The inspection revealed the Licensee failed to ensure that all records reviewed had corresponding physician orders for the medications administered to the residents. Further, the Licensee's written medication management policies and procedures does not include how medications are acquired, received or destroyed.

Outcome

The Licensee has advised it has taken corrective action to achieve compliance. RHRA to confirm compliance by inspection.

NOTICE

The Final Inspection Report is being provided to the Licensee, the Registrar of the Retirement Homes Regulatory Authority (the "RHRA") and the home's Residents' Council, if any.

Section 55 of the RHA requires that the Final Inspection Report be posted in the home in a conspicuous and easily accessible location. In addition, the Licensee must ensure that copies of every Final Inspection Report from the previous two (2) years are made available in the Home, in an easily accessible location.

The Registrar's copy of the Final Inspection Report, as it appears here, will be included on the RHRA Public Register, available online at <http://rhra.ca/en/register/>
