Inspection Finding

At the time of the inspection, the Emergency Plan provided by the Licensee did not address all of the required areas. There was also no evidence of the current arrangements with community agencies, partner facilities or resources involved in responding to an emergency. The Licensee did not provide evidence of annual testing of the Emergency Plan, or evidence of a planned evacuation at least once every two years, as prescribed. Further, there was no evidence to describe the system that will be utilized to account for residents in the event of an evacuation. There was no evidence that an assessment of the hazards and risks that may give rise to an emergency affecting the home had been completed. The "emergency kit" consisted of a first aid kit only and there was no record of testing, as prescribed. Finally there was no evidence that the Emergency Plan was evaluated and updated annually, as prescribed.

Outcome

The Licensee submitted a plan to achieve compliance by November 9, 2018. RHRA to confirm compliance by inspection.

- 3. The Licensee failed to comply with the RHA, S.O. 2010, c. 11, s. 60; Safety plans.

27. (3) The licensee shall keep a written record of the consultation required under subsection (2) that shall include a record of when the consultation took place, what was discussed and any recommendations that the local medical officer of health or designate made.

27. (4) The licensee of a retirement home shall ensure that a written surveillance protocol is established in consultation with the local medical officer of health or designate in order to identify, document and monitor residents who report symptoms of respiratory or gastrointestinal illness.

27. (5) The licensee of a retirement home shall ensure that,
(a) if an infectious disease outbreak occurs in the home, the outbreak is reported to the local medical officer of health or designate and the licensee defers to the officer or designate, as the case may be, for assistance and consultation as appropriate;
(b) if there is an increase in the number of symptomatic residents in the home, the increase is reported immediately to the local medical officer of health or designate and that the officer or designate, as the case may be, is consulted;

(c) processes for meeting the requirements in clauses (a) and (b) are established and the processes are recorded in writing.

Inspection Finding

The Licensee did not present a written Infection Prevention and Control program for inspection. There was no evidence presented of consultation with the Medical Officer of Health, or designate, in 2017 as prescribed.

Outcome

The Licensee submitted a plan to achieve compliance by November 9, 2018. RHRA to confirm compliance by inspection.

- 4. The Licensee failed to comply with the RHA, S.O. 2010, c. 11, s. 65; Training.**
The Licensee failed to comply with the RHA, S.O. 2010, c. 11, s. 65; On-going training.
