(4) The licensee of a retirement home shall ensure that there is a written plan of care for each resident of the home that sets out, (b) the planned care services for the resident that the licensee will provide, including,</p> <p>62. (12) The licensee shall ensure that the resident is reassessed and the plan of care reviewed and revised at least every six months and at any other time if, in the opinion of the licensee or the resident, (b) the resident's care needs change or the care services set out in the plan are no longer necessary;</p> <p>47. (1) Subject to subsection (4), as soon as possible and not later than two days after a resident commences residency in a retirement home, the licensee of a retirement home shall develop an initial plan of care for the resident based on the initial assessment of the resident's immediate care needs conducted under section 43 that includes all of the information listed in subsection 62 (4) of the Act that is relevant to the resident's immediate care needs.</p> <p>47. (2) No later than 21 days after a resident commences residency in a retirement home, the licensee of the home shall develop a complete plan of care for the resident based on the full assessment of the resident's care needs and preferences conducted under section 44 that takes into account all of the matters that must be considered in a full assessment.</p>

Inspection Finding

There was no evidence to support that a resident was reassessed or that their plan of care was reviewed and revised when the resident's care needs changed, and there were no clear documented directions for staff in the plan of care in relation to the resident's medical needs. In addition, the home was unable to provide evidence that an initial or a complete plan of care was developed for another resident as per legislation.

Outcome

The Licensee has advised it has taken corrective action to achieve compliance. RHRA to confirm compliance by inspection.

- 2. The Licensee failed to comply with O. Reg. 166/11, s. 29; Administration of drugs or other substances.
The Licensee failed to comply with O. Reg. 166/11, s. 32; Records.**

Specifically, the Licensee failed to comply with the following subsection(s):

29. If one of the care services that the licensee or the staff of a retirement home provide to a resident of the home is the administration of a drug or other substance, the licensee shall ensure that,

(b) no drug is administered by the licensee or the staff to the resident in the home except in accordance with the directions for use specified by the person who prescribed the drug for the resident;

32. If the licensee or a member of the staff of a retirement home administers a drug or other substance to a resident, the licensee shall ensure that,

(a) the person who administered the drug or other substance prepares a written record noting the name and amount of the drug or other substance, the route of its administration and the time and date on which it was administered;

Inspection Finding

The evidence showed that a resident's medication administration record was inconsistently documented to indicate whether medications were administered to the resident as per the physician's orders.

Outcome

The Licensee has advised it has taken corrective action to achieve compliance. RHRA to confirm compliance by inspection.

NOTICE

The Final Inspection Report is being provided to the Licensee, the Registrar of the Retirement Homes Regulatory Authority (the "RHRA") and the home's Residents' Council, if any.

Section 55 of the RHA requires that the Final Inspection Report be posted in the home in a conspicuous and easily accessible location. In addition, the Licensee must ensure that copies of every Final Inspection Report from the previous two (2) years are made available in the Home, in an easily accessible location.

The Registrar's copy of the Final Inspection Report, as it appears here, will be included on the RHRA Public Register, available online at <http://rhra.ca/en/register/>
