**62. (4)** The licensee of a retirement home shall ensure that there is a written plan of care for each resident of the home that sets out,

- (b) the planned care services for the resident that the licensee will provide, including,
  - (iii) clear directions to the licensee’s staff who provide direct care to the resident;

**62. (12)** The licensee shall ensure that the resident is reassessed and the plan of care reviewed and revised at least every six months and at any other time if, in the opinion of the licensee or the resident,

- (b) the resident’s care needs change or the care services set out in the plan are no longer necessary;

**Inspection Finding**

The home was not able to demonstrate that several of the resident plans of care were updated as the residents' care needs changed or within the minimum requirement of every 6 months. Additionally, several of the plans of care did not include clear directions to staff on how to provide required care services to residents.

**Outcome**

The Licensee submitted a plan to achieve compliance by February 28, 2020. RHRA to confirm compliance by inspection.

**NOTICE**

The Final Inspection Report is being provided to the Licensee, the Registrar of the Retirement Homes Regulatory Authority (the "RHRA") and the home's Residents' Council, if any.

Section 55 of the RHA requires that the Final Inspection Report be posted in the home in a conspicuous and easily accessible location. In addition, the Licensee must ensure that copies of every Final Inspection Report from the previous two (2) years are made available in the Home, in an easily accessible location.

The Registrar's copy of the Final Inspection Report, as it appears here, will be included on the RHRA Retirement Home Database available online at <http://www.rhra.ca/en/retirement-home-database>.
