Purpose of Inspection
The RHRA received a report under section 75(1) of the <i>Retirement Homes Act, 2010</i> (the "RHA").

NON-COMPLIANCE
<p>1. The Licensee failed to comply with the RHA, S.O. 2010, c. 11, s. 62; Plan of care. The Licensee failed to comply with the RHA, S.O. 2010, c. 11, s. 62; Reassessment and revision. The Licensee failed to comply with O. Reg. 166/11, s. 47; Development of plan of care.</p> <p>Specifically, the Licensee failed to comply with the following subsection(s):</p> <p>62. (1) When a resident commences his or her residency in a retirement home, the licensee shall, within the prescribed times, ensure that the resident is assessed and that a plan of care is developed based on the assessment and in accordance with this section and the regulations.</p> <p>62. (12) The licensee shall ensure that the resident is reassessed and the plan of care reviewed and revised at least every six months and at any other time if, in the opinion of the licensee or the resident, (b) the resident's care needs change or the care services set out in the plan are no longer necessary;</p> <p>47. (1) Subject to subsection (4), as soon as possible and not later than two days after a resident commences residency in a retirement home, the licensee of a retirement home shall develop an initial plan of care for the resident based on the initial assessment of the resident's immediate care needs conducted under section 43 that includes all of the information listed in subsection 62 (4) of the Act that is relevant to the resident's immediate care needs.</p> <p>47. (2) No later than 21 days after a resident commences residency in a retirement home, the licensee of the home shall develop a complete plan of care for the resident based on the full assessment of the resident's care needs and preferences conducted under section 44 that takes into account all of the matters that must be considered in a full assessment.</p>

Inspection Finding

The home failed to comply with the requirements for two resident’s records reviewed. The home failed to develop a plan of care for one resident and failed to ensure that an interdisciplinary care conference was held in the development of a resident’s plan of care. In addition, this resident was not reassessed or the plan of care updated as required.

Outcome

The Licensee must take corrective action to achieve compliance.

2. The Licensee failed to comply with O. Reg. 166/11, s. 22; Risk of falls.

Specifically, the Licensee failed to comply with the following subsection(s):

22. (1) Every licensee of a retirement home shall develop, document and implement strategies to reduce or mitigate the risk of falls in common areas of the home.

Inspection Finding

Evidence shows that a resident had a fall and the home failed to follow the falls strategy by not notifying the residents physician.

Outcome

The Licensee must take corrective action to achieve compliance.

3. The Licensee failed to comply with O. Reg. 166/11, s. 23; Behaviour management.

Specifically, the Licensee failed to comply with the following subsection(s):

23. (1) Every licensee of a retirement home shall develop and implement a written behaviour management strategy that includes,

- (a) techniques to prevent and address resident behaviours that pose a risk to the resident or others in the home;
- (b) strategies for interventions to prevent and address resident behaviours that pose a risk to the resident or others in the home;
- (c) strategies for monitoring residents that have demonstrated behaviours that pose a risk to the resident or others in the home;

Inspection Finding

One resident demonstrated behaviors that posed a risk to the resident and others in the home. The home failed to develop and implement a written behavior management strategy to manage the resident’s behaviors.

Outcome

The Licensee must take corrective action to achieve compliance.

4. The Licensee failed to comply with O. Reg. 166/11, s. 32; Records.

Specifically, the Licensee failed to comply with the following subsection(s):

- 32.** If the licensee or a member of the staff of a retirement home administers a drug or other substance to a resident, the licensee shall ensure that,
- (a) the person who administered the drug or other substance prepares a written record noting the name and amount of the drug or other substance, the route of its administration and the time and date on which it was administered;

Inspection Finding

A review of one resident’s medication administration record shows that staff are not always keeping a written record of medications they administer to the resident.

Outcome

The Licensee must take corrective action to achieve compliance.

NOTICE

The Final Inspection Report is being provided to the Licensee, the Registrar of the Retirement Homes Regulatory Authority (the "RHRA") and the home's Residents' Council, if any.

Section 55 of the RHA requires that the Final Inspection Report be posted in the home in a conspicuous and easily accessible location. In addition, the Licensee must ensure that copies of every Final Inspection Report from the previous two (2) years are made available in the Home, in an easily accessible location.

The Registrar's copy of the Final Inspection Report, as it appears here, will be included on the RHRA Retirement Home Database, available online at <http://www.rhra.ca/en/retirement-home-database>.
