**24. (5)** The licensee shall,  
(b) at least once every two years, conduct a planned evacuation of the retirement home

**Inspection Finding**

The Licensee was unable to demonstrate there were current arrangements in place with community partners that would be involved in responding to an emergency. In addition, there was no evidence a full evacuation was conducted every two years as required.

**Outcome**

At the time of the inspection, the Licensee was not in compliance. The home has since taken corrective action to achieve compliance.

**NOTICE**

The Final Inspection Report is being provided to the Licensee, the Registrar of the Retirement Homes Regulatory Authority (the “RHRA”) and the home’s Residents’ Council, if any.

Section 55 of the RHA requires that the Final Inspection Report be posted in the home in a conspicuous and easily accessible location. In addition, the Licensee must ensure that copies of every Final Inspection Report from the previous two (2) years are made available in the Home, in an easily accessible location.

The Registrar’s copy of the Final Inspection Report, as it appears here, will be included on the RHRA Retirement Home Database available online at <http://www.rhra.ca/en/retirement-home-database>.
