Inspection Finding

A sample of three assessments and plans of care for three residents were selected for review. Collectively, the evidence showed the listed items had not been fully addressed. The Licensee failed to ensure assessment and plan of care requirements had been fully met.

Outcome

The Licensee submitted a plan to achieve compliance by June 16, 2022. RHRA to confirm compliance by following up with the Licensee or by inspection.

2. The Licensee failed to comply with O. Reg. 166/11, s. 29; Administration of drugs or other substances.

Specifically, the Licensee failed to comply with the following subsection(s):

- 29.** If one of the care services that the licensee or the staff of a retirement home provide to a resident of the home is the administration of a drug or other substance, the licensee shall ensure that,
- (e) if the licensee or a staff member is involved in the administration of the drug or other substance at the home, that the licensee or staff member is trained in,
 - (i) ways of reducing the incidence of infectious disease, including maintaining proper hand hygiene,
 - (ii) the safe disposal of syringes and other sharps.

Inspection Finding

Newly implemented training materials for medication administration training was reviewed and there was nothing to show the listed items had been included in the training. The Licensee failed to ensure the training provisions for medication administration had been fully met.

Outcome

At the time of the inspection, the Licensee was not in compliance. The home has since taken corrective action to achieve compliance.

- 3. The Licensee failed to comply with the RHA, S.O. 2010, c. 11, s. 65; Training.**
The Licensee failed to comply with the RHA, S.O. 2010, c. 11, s. 65; On-going training.
The Licensee failed to comply with the RHA, S.O. 2010, c. 11, s. 65; Additional training for direct care staff.
The Licensee failed to comply with O. Reg. 166/11, s. 14; Staff training.
The Licensee failed to comply with O. Reg. 166/11, s. 27; Infection prevention and control program.

Specifically, the Licensee failed to comply with the following subsection(s):

- 65. (2)** Every licensee of a retirement home shall ensure that no staff work in the home unless they have received training in,
- (a) the Residents’ Bill of Rights;

- (b) the licensee’s policy mentioned in subsection 67 (4) to promote zero tolerance of abuse and neglect of residents;
- (c) the protection afforded for whistle-blowing described in section 115;
- (d) the licensee’s policy mentioned in subsection 68 (3) regarding the use of personal assistance services devices for residents;
- (f) fire prevention and safety;
- (h) the emergency plan and the infection prevention and control program of the licensee for the home mentioned in subsection 60 (4).

65. (4) The licensee shall ensure that the persons who are required to receive the training described in subsection (2) receive on-going training as described in that subsection at the times required by the regulations.

65. (5) The licensee shall ensure that all staff who provide care services to residents receive training in the following matters and at the times required by the regulations, as a condition of continuing to have contact with residents, in addition to the other training that they are required to receive under this section:

- 3. Behaviour management.

14. (1) For the purposes of clause 65 (2) (j) of the Act, every licensee of a retirement home shall ensure that all staff who work in the home receive training in the procedure described in subsection 73 (1) of the Act for a person to complain to the licensee.

14. (2) For the purposes of subsection 65 (4) of the Act, the licensee shall ensure that the persons who are required to receive training under subsection 65 (2) of the Act receive the training at least annually.

14. (5) The licensee shall ensure that the persons who are required to receive the training described in subsection 65 (5) of the Act receive that training on an ongoing basis, namely at least annually after receiving the training described in subsection (4).

27. (9) The licensee shall ensure that each staff member who works in the retirement home receives training on how to reduce the incidence of infectious disease transmission, including,

- (b) the need for and process of reporting, providing surveillance of and documenting incidents of infectious illness.

Inspection Finding

The inspector reviewed training records and found several examples where the listed training provisions had not been addressed. The Licensee failed to ensure that staff were trained or retrained as required.

Outcome

At the time of the inspection, the Licensee was not in compliance. The home has since taken corrective action to achieve compliance.

4. The Licensee failed to comply with O. Reg. 166/11, s. 24; Emergency plan, general.

Specifically, the Licensee failed to comply with the following subsection(s):

24. (5) The licensee shall,

(a) on an annual basis at least, test the emergency plan, including arrangements with community agencies, partner facilities and resources that will be involved in responding to an emergency, related to,

- (i) the loss of essential services,
- (ii) situations involving a missing resident,
- (iii) medical emergencies,
- (iv) violent outbursts.

Inspection Finding

Evidence related to current arrangements to support the execution of the emergency plan and evidence of testing in certain aspects of the plan were reviewed. The evidence did not show compliance with the requirements. The Licensee failed to ensure the listed items had been fully addressed.

Outcome

The Licensee submitted a plan to achieve compliance by June 16, 2022. RHRA to confirm compliance by following up with the Licensee or by inspection.

NOTICE

The Final Inspection Report is being provided to the Licensee, the Registrar of the Retirement Homes Regulatory Authority (the "RHRA") and the home's Residents' Council, if any.

Section 55 of the RHA requires that the Final Inspection Report be posted in the home in a conspicuous and easily accessible location. In addition, the Licensee must ensure that copies of every Final Inspection Report from the previous two (2) years are made available in the Home, in an easily accessible location.

The Registrar's copy of the Final Inspection Report, as it appears here, will be included on the RHRA Retirement Home Database available online at <http://www.rhra.ca/en/retirement-home-database>.
