- (b) the need for and process of reporting, providing surveillance of and documenting incidents of infectious illness.

Inspection Finding

The inspector reviewed a sample of staff training records and found that a staff member had not received the required training upon hire, and did not ensure a staff member received the required training for the infection prevention and control program and the procedure for a person to complain to the licensee. The Licensee failed to ensure that all staff were trained as required.

Outcome

The Licensee has advised it has taken corrective action to achieve compliance. RHRA to confirm compliance by inspection.

3. The Licensee failed to comply with O. Reg. 166/11, s. 24; Emergency plan, general. The Licensee failed to comply with O. Reg. 166/11, s. 25; Emergency plan, retirement home with more than 10 residents.

Specifically, the Licensee failed to comply with the following subsection(s):

24. (5) The licensee shall,

(a) on an annual basis at least, test the emergency plan, including arrangements with community agencies, partner facilities and resources that will be involved in responding to an emergency, related to,

(iii) medical emergencies,

(iv) violent outbursts;

25. (3) The licensee shall ensure that the emergency plan provides for the following:

3. Resources, supplies and equipment vital for the emergency response being set aside and readily available at the retirement home and regular testing of all such resources, supplies and equipment to ensure that they are in working order.

Inspection Finding

The inspector reviewed the Licensee's records of testing for their emergency plans and found that the testing for medical emergency and violent outbursts had not been completed. Furthermore, the supplies set aside to be used in case of emergency had not been tested to ensure they are in working order since March 2021. The Licensee failed to ensure all testing of the emergency plan was done annually as required.

Outcome

The Licensee has advised it has taken corrective action to achieve compliance. RHRA to confirm compliance by inspection.

NOTICE

The Final Inspection Report is being provided to the Licensee, the Registrar of the Retirement Homes Regulatory Authority (the "RHRA") and the home's Residents' Council, if any.

Section 55 of the RHA requires that the Final Inspection Report be posted in the home in a conspicuous and easily accessible location. In addition, the Licensee must ensure that copies of every Final Inspection Report from the previous two (2) years are made available in the Home, in an easily accessible location.

The Registrar's copy of the Final Inspection Report, as it appears here, will be included on the RHRA Retirement Home Database available online at <http://www.rhra.ca/en/retirement-home-database>.
