The resident or the resident's substitute decision-maker.</p> <p>62. (12) The licensee shall ensure that the resident is reassessed and the plan of care reviewed and revised at least every six months.</p>

Inspection Finding

The inspector reviewed several plans of care for residents as part of this routine inspection. The inspector found that five residents did not have either an initial plan or full plan of care. Several of the plans of care that were completed did not include all care services the home was providing to the resident or clear directions and goals for those care services. Not all plans of care were approved by the resident or the resident's SDM. Additionally, the plans of care had not been updated within the required time frames. The plans of care for residents were not in alignment with the regulations.

Outcome

The Licensee submitted a plan to achieve compliance by September 30, 2022. RHRA to confirm compliance by following up with the Licensee or by inspection.

NOTICE

The Final Inspection Report is being provided to the Licensee, the Registrar of the Retirement Homes Regulatory Authority (the "RHRA") and the home's Residents' Council, if any.

Section 55 of the RHA requires that the Final Inspection Report be posted in the home in a conspicuous and easily accessible location. In addition, the Licensee must ensure that copies of every Final Inspection Report from the previous two (2) years are made available in the Home, in an easily accessible location.

The Registrar's copy of the Final Inspection Report, as it appears here, will be included on the RHRA Retirement Home Database available online at <http://www.rhra.ca/en/retirement-home-database>.
