Inspection Finding

While conducting this inspection, the inspector made a finding unrelated to the purpose of the inspection. The inspector and a visitor to the home were not screened upon entry and a staff member was observed not to be wearing a medical mask while working in the home. The Licensee failed to follow recommendations made by the Chief Medical Officer of Health.

Outcome

The Licensee must take corrective action to achieve compliance.

NOTICE

The Final Inspection Report is being provided to the Licensee, the Registrar of the Retirement Homes Regulatory Authority (the "RHRA") and the home's Residents' Council, if any.

Section 55 of the RHA requires that the Final Inspection Report be posted in the home in a conspicuous and easily accessible location. In addition, the Licensee must ensure that copies of every Final Inspection Report from the previous two (2) years are made available in the Home, in an easily accessible location.

The Registrar's copy of the Final Inspection Report, as it appears here, will be included on the RHRA Retirement Home Database, available online at <http://www.rhra.ca/en/retirement-home-database>.
