## FEE OVERVIEW

### ANNUAL FEES

#### Annual Fee

All licensees must pay an annual fee to cover the cost of core RHRA operations and functions related to administering the Act.

The fee is based on the number of suites (see definitions - *Suites*). Suites that are subsidized (see definitions – *Subsidized Unit*) are excluded. Suites include all available units, regardless of whether they are occupied or not.

Annual fees are calculated for each calendar year. Licensees have three payment options:

- i. Remit entire fee for the year.
  - Fees are due by January 3.
  - Payments of the entire fee may be made either by Cheque, Pre-Authorized Debit (PAD) or EFT.
  - Cheques and EFTs must be received by the RHRA by the end of the day on January 3, 2023, in order to be considered on time.
  - To enroll in the PAD or EFT process, a licensee must submit the PAD form to the RHRA or request EFT information from RHRA no later than December 12, 2022 to allow for processing time to set up the PAD transactions and provide RHRA EFT details. Please indicate on the PAD form whether it is for the annual fee in full or for quarterly payments.
- ii. Make quarterly payments.
  - An administration (finance) charge of 5% will be applied for quarterly payments - see *Administration (Finance) Charge* for details.
  - Quarterly payments are due January 3, April 3, July 4, and October 2.
  - Quarterly payments are only accepted by Pre-Authorized Debit (PAD).
  - To enroll in the PAD process, a licensee must submit the PAD form to the RHRA no later than December 12, 2022, to allow for processing time to set up the PAD.

Where any of the above dates fall on a weekend, the due date will be the first business day following the due date.

Licensees whose payment is not received by the due date will be subject to a *Late Annual Fee* charge – see *Late Annual Fee*.

Approximately thirty (30) days prior to the start of the new calendar year, the annual fee for the next calendar year will be calculated based on the number of suites the RHRA has on record. Note that it is the licensee's obligation to report any changes in the number of suites. An Annual Fee Invoice will be sent to each licensee.

**Change in number of suites**

- i. If there is a change in the number of suites in a home, the following will apply:
  - If the number of suites for a licensee changes during the calendar year, the RHRA will bill or refund annual fees. Reconciliation of billing will be for the difference in suites, rounded to the next full month following the effective date of the change.
  - A statement (and refund payment if applicable) will be generated for each licensee where reconciliation is made, and a statement will be sent to the licensee.
- ii. Fluctuation in number of suites ordinarily subject to subsidy
  - Homes that have fluctuation in the number of suites ordinarily subject to subsidy should contact the RHRA regarding annual reconciliation. The reconciliation of subsidized suites for the year 2022 communication will only be sent once a year. Licensees will receive a declaration form on December 12, 2022. Licensees will be required to submit the form and supporting documentation no later than January 31, 2023 when reporting fluctuation in subsidized suites (see definition).

**Licences issued during the year**

- i. If a licence is issued during the calendar year, the annual fee will be prorated to the nearest full month, calculated as of the next full month following the date of licence issue. The licensee must make a full payment for the balance of the calendar year. Quarterly payments may commence when the first full year of fees is payable.

**Late Annual Fee**

Licensees whose annual fee is received after the due date will be subject to an automatic late fee.

**Administration (Finance) Charge**

A finance charge will be applied when a licensee chooses to pay annual licence fees in quarterly installments.

The fee will be 5% of the licensee's annual fee balance.

The RHRA will calculate the total amount of the annual fee and administration finance charge and quarterly payments, which will show on the Annual Fee Statement/Invoice.

**Discontinued Licenses / Ownership Transactions*****Ceasing to Operate as a Retirement Home***

This applies to licensees ceasing to operate as a retirement home according to Sec. 49 of the Act and Sec. 7 of the Regulations.

If a licensee ceases to operate as a retirement home in accordance to the Act and Regulations, and the home has no outstanding balance with the RHRA, the licensee will be refunded the portion of the pre-paid annual fee that remains after the licensee ceases to operate the retirement home. Any refund amount will be calculated by rounding to the first of the next full month following the date the licensee ceased to operate.

***Ownership Transactions***

A licensee whose licence terminates as a result of an ownership transaction will be refunded the portion of the pre-paid annual licence fee amount remaining as of the date the licensee ceases to operate the retirement home (the termination date). Any refund amount will be rounded to the first of the next full month following the termination date.

## APPLICATION FEES

### **Licence Application Fee**

To obtain a retirement home licence, a licence application must be submitted to the RHRA. A licence application is to be submitted for new operators or relating to the acquisition of an existing retirement home (see the Licensing tab of the RHRA website: <http://rhra.ca/en/licensing/apply/>).

Fees are based on the number of suites (see definitions - *Suite*) within the home, regardless of whether they are occupied or not. It excludes suites for which the operator receives a subsidy (see definitions – *Subsidized Unit*). The total application fee is the sum of the set fee and the per suite fee.

The licence application fee must be submitted with the completed licence application forms.

Once the licence application and fee have been received by the RHRA, the application fee is non-refundable. Once full payment (including an expedited fee, if applicable) has been received and processed, review of the application will begin.

If the Registrar issues a licence, a licence will be sent to the licensee. The licensee will then be sent an invoice for the Annual fees – see *Annual Fees* for details.

### **Expedited Application Fees**

Expedited application fees can be paid in addition to the licence application fee if an applicant requires priority consideration for applications to be processed within two or four weeks ahead of the standard licence application processing time. The standard licence application processing time is 6 weeks - this may vary depending on the completeness of the application and/or the presence of factors that could call into question the applicant's suitability to meet the licensing criteria. RHRA staff will keep applicants updated on the progress of their application and advise where additional time is required outside of 6 weeks. It is recommended that you submit your application no later than 6 weeks prior to the expected occupancy date or closing date of the sale.

If an expedited service is requested, please submit an expedited application fee concurrently with the licence application fee.

If an application that is subject to an expedited fee is submitted without the fee, the applicant will be notified.

### **Change of a Controlling Interest Fee**

Under section 48(1a-b) of the Act, a licence terminates when a person either ceases to have or acquires a controlling interest in the licensee. For a definition of "Controlling Interest", see S.3 "Interpretation, Controlling Interest" of the Act.

Applications resulting from a change in controlling interest may be subject to a reduced application fee. Licensees should contact RHRA before submitting an application related to a change in controlling interest.

### **Assessment Fees**

Under section 37(2) of the Act, the RHRA may charge an applicant an additional fee relating to the reasonable costs of inquiries, investigations, and inspections in support of the Registrar's assessment and decision-making related to a licence application.

Fees are at the discretion of the Registrar and will be reflective of the activities undertaken. Where the Registrar indicates these additional costs apply, the RHRA will invoice the applicant.

## **COMPLIANCE FEES**

### **Compliance and Enforcement Measures**

In response to repetitive or continuing non-compliance with the requirements of the Act, the RHRA may set and charge a fee for costs in connection to inspection activities, and activities of the Registrar and RHRA staff members relating to the management and administration of Registrar orders. These activities include conducting inspections, the preparation and assessment of reports and orders, and Registrar decision-making. Fees will be reflective of the activities undertaken.

## **OTHER CHARGES & PROVISIONS**

### **Failure to Provide Information**

The Act requires the Registrar to establish and maintain a public register of retirement home licences and licence applications. Under section 109 of the Act, a licensee must give the Registrar written notice of certain changes or events within a certain time.

The RHRA may charge a licensee a fee in connection to additional administrative costs to the RHRA resulting from the licensee's failure to provide notice to the Registrar in accordance with section 109. These activities may include maintaining and updating the public register on an expedited basis, contacting the licensee, or sending the licensee a request for information in connection to the failure to provide notice.

### **Replacement of Licence**

Licensees requesting a replacement or extra copy of an official licence certificate may be charged a replacement fee.

### **NSF Fees**

A fee may be applied whenever a cheque is returned as non-negotiable or a PAD (pre-authorized debit) is declined as NSF. When NSF fees are charged, the RHRA will notify the licensee and request for payment and the NSF charge.

### **Interest**

The RHRA may charge interest at a rate of 1.5% per month (18% per annum) on outstanding fee, and the RHRA will consider the accrued interest on any unpaid fee as part of the fee itself.

### **Other**

The obligation of a licensee or applicant to pay a fee continues, despite any failure of the RHRA to provide notice of the fee, or provide notice of the fee by a certain date, or despite a failure of the licensee or applicant to receive notice of the fee.
